## **ALL PART OF THE DARK PLOT OF A SINISTER FOREIGN FORCE**

The attack by a sinister foreign force in the Shiah temple at Ottawa, Verulam is not the effect of any Shiah-Sunni conflict. The sinister force is utilizing the Shiah-Sunni red herring to create anarchy in South Africa just as they (the evil forces) have succeeded in Pakistan and elsewhere.

Ignorant people – Muslims and non-Muslims – here have already fallen victim to this massive satanic deception of the attack being the consequence of Shiah-Sunni conflict. Those who had committed the dastardly crime at the Shiah temple were men trained and paid by the alien sinister force.

It is regrettable that the security apparatus in the country has failed to unravel the supposed 'mystery' of an act which does not pose a conundrum for men of intelligence. The only way to thwart and neutralize the conspiracy of the sinister forces is to avoid falling into the snare which is being set for the spread of anarchy.

It is essential to understand that in so far as the Ulama are concerned, the Shiah-Sunni conflict is at the academic level only. The sinister forces are manipulating this academic dispute to cast it into the mould of violence to foment anarchy which will guarantee it (the sinister force) a strong foothold in this country. It is the job of the authorities to unravel the plot, and we believe that this should not be a daunting task for the government and not allow themselves to become entrapped in the ISIS propaganda dished out by the U.S.A. This attack on the Shia temple was NOT an act by the non-existent ghost which the U.S. dubs as ISIS.

ISIS is a phantom created by the sinister forces to give effect to the objectives of anarchy and destabilization conspiracy of the satanists. Whenever they deem it necessary for the realization of their plot, the bogey is put into action. It is hoped that the authorities will not be entrapped in this massive, dark ISIS ghost deception.
