THE COVID SATANISTS

The Imaam of a Masjid in Gauteng writes:

It seems as if we were surrounded by munaafiqeen scoundrels all along and our Imaani senses did not detect them. Everyone here, where I am staying now to help my grandfather, comes to the masjid with a mask. And they take it off when outside as if they are practically telling Allah that His Masjid is dirty. They are all filthy swines. Their hearts are corrupted. They will not wear the mask till the door of the Masjid, but then put it on 'religiously' at the door of the Masjid. What type of a mockery is this? They were all along solid munaafiqeen but now it is showing up. Filth doesn't stay covered forever. The smell and stench will always be exposed. They stink like dirt.

Right now I have a question. People are sick no doubt I am with my grandfather now, and his lungs are definitely diseased. So is this disease man made or Allah sent? No doubt Allah is allowing every bit of this Satanism to plague the Ummah. But were the kuffaar instrumental in initiating this disease? Your answers will be appreciated. *(End of the Imaam's letter)*

ANSWER AND COMMENT

Some time ago, most people, if not all, could not understand the following Hadith narrated by Hadhrat Abdullah Bin Amar (Radhiyallahu anhu):

“A time will dawn when the people (i.e. so-called Muslims) will gather in the Musaajid and perform Salaat while not a single one of them will be a Mu'min.”

The Musaajid will be full of munaafiqeen and zanaadaqah. What you have seen is a manifestation of this prediction of Rasulullah (Sallallahu alayhi

wasallam). Predictions and their materialization are part of the evidence for the Truth of a Nabi.

Whatever you have commented about these munaafiqeen is valid. They are indeed worse than swines. A pig is not a munaafiq, but humans are. Even the dua of a pig is accepted and fulfilled by Allah Ta'ala. But there is no capacity of Dua in a munaafiq.

Whether the covid virus was manufactured by the kuffaar and whether this satanic 'plague' has been engineered by the agents of the Devil or not is of no consequence. In reality, it is all in the Plan of Allah Azza Wa Jal. It is Allah Ta'ala who is harnessing all these devilish forces to execute His Decree. Stating this fact, the Qur'aan Majeed says:

“Not a leaf drops (from a tree), but He is aware.”

The minutest particle, the atom, the movement of a worm in the darkness of the soil are by the decrees of Allah Azza Wa Jal. Every occurrence regardless of its infinitesimality, is by the direct intervention of Allah Ta'ala.

Keep the focus on Allah Ta'ala. All people, jinn and every entity in creation are all cogs in the Divine Machinery. Everything – every plot and every act of the shayaateen are by the decree of Allah Azza Wa Jal. Thus, everything will run its divinely prescribed course. Our obligation is to only obey Allah Ta'ala in the manner He has commanded us in His Shariah. He is our Protector. Was-salaam
