# **CLOSING AND DESTROYING THE MASAAJID**

***“WHO IS A GREATER ZAALIM?” ASKS ALLAH AZZA WA JAL!***

*“Who is a greater zaalim (oppressor) than the one who prevents (others) from the Thikr of His Name in the Musaaqid whilst he (the zaalim) strives in its destruction?”  
(Al-Baqarah, Aayat 114)*

For the Rubbishes and Munaafiqeen who have closed the Musaaqid of Allah Ta’ala and who are preventing the community from utilizing the Musaaqid for the purpose for which these Houses of Allah were dedicated, there is:

***“For them disgrace in this world, and in the Aakhirat a great punishment.”  
(Al-Baqarah, Aayat 114)***

In the more than 14 century history of Islam never was there an incident of Muslims themselves closing down and destroying the Musaaqid. This is the first time in Islam’s history that “muslims” have shut down Musaaqid *enmasse*. In some Musaaqid where mock ‘salaat’ is performed, Musallis are harassed by the munaafiq rats – jaahil imaams and fussaaq trustees. Gross disrespect is shown to the aged about whom Rasulullah (Sallallahu alayhi wasallam) said: *“He who does not honour our aged is not from us.”* In other words he is among the kuffaar.

These rats and rubbishes are not Muslims. They are munaafiqeen agents of Iblees striving to destroy Islam.

Allah Ta'ala has His Own way of exposing criminals and hypocrites who masquerade as Muslims. By these miserable scoundrels closing and destroying the Musaajid, their *nifaaq* has been exposed. Only munaafiqeen are capable of closing Musaajid thereby preventing the community from taking the Name of Allah Ta'ala and from Ibaadat in the Musaajid.

The shops have not closed; the malls have not closed; the factories have not closed; the casinos have not closed; the brothels have not closed, and while many other places of business and immoral entertainment have not closed, the Rubbish Munaafiqeen have deemed it honourable to close the Musaajid. The Musaajid is the only institution these vile scoundrels could find for closing in order to bootlick the government.

These miserable, spineless munaafiqeen obsequiously grovelling in the gutters of dishonour have superseded even the government in the draconian measures imposed on the people. While the government limited gatherings to 100, these *Aulaadush Shaitaan* reduced the number to 50 deliciously licking the boots of the non-Muslim authorities. While the government has not ordered the Musaajid to close, these munaafiqeen have closed Allah's Houses *enmasse*. They will yet rue the day that their mothers gave birth to them. Calamity in a variety of forms will still strike them. They will not have to wait for Qiyaamah. Allah's *La'nat* is on them: ***"Indeed Allah curses them and those who curse, curse them."*** (*Qur'aan*)

At least The Muslim community has now understood who the enemies of Islam are from within. They are the MJC, NNB jamiat, KZN jamiat, Daarush Shaitaan (the zubair bhayat shaitaan's outfit), and others of such ilk.

On the occasion of Dajjaal's appearance, while he will be encamped outside Madinah, there will be three tremors. All the munaafiqeen and zanaadaqah will flee from Madinah to escape death. They will be apprehended by Dajjaal. In this manner will Allah Ta'ala purify Madinah Munawwarah from the filth of the munaafiqeen. In similar manner has Allah Ta'ala exposed the *nifaaq* of the Rats and Rubbishes who have closed the Musaajid and where they have not as yet closed the Musjids, they have so severely tampered with Salaat and the Khutbah as to transform these fundamental institutions of Islam into a devilish mockery.
