“MOOTOO!!!”

“PERISH!!!”

“VREK!!!”

(QUR'AAN – AL-BAQARAH, 243)

“What! Have you not seen those who fled from their homes and they were thousands (fleeing covid) in fear of Maut (Death)?

***Then Allah said to them: “MOOTOO!”
(i.e. PERISH! VREK!)***

***THEN HE RESTORED THEM TO LIFE.
VERILY, ALLAH IS BENEVOLENT TO
PEOPLE, BUT MOST PEOPLE ARE NOT
GRATEFUL.”***

(Al-Baqarah, Aayat 243)

This Qur'aanic aayat recounting an episode of bygone times is an adequate depiction of the current KUFRA of the MJC, NNB jamiat, Bogus uucsa and similar other outfits and misguided, miscreant individuals who have all set themselves up as opponents of Allah Azza Wa Jal.

The episode pertains to about 20,000 or more people who had fled their homes when a plague struck. Labouring under the satanic misconception as do the MJC, NNB jamiat, Bogus uucsa, etc., – the kufra misconception of being able to thwart MAUT with the protocols of jaahiliyah and atheism – these thousands fled from their homes and took refuge in a mountainous valley snug with the idea of having foiled DEATH.

On reaching their 'haven' of self-imposed quarantine in the valley, Allah Azza Wa Jal commanded: ***“MOOTOO! (PERISH, VREK!)*** The entire cartel of tens of thousands perished. Their quarantine protocol did not save them from death.

For the *Ghutha* of MJC, NNB jamiat and Bogus uucsa, the Qur'aan Majeed warns: ***“Verily, MAUT (DEATH) from which you (cowardly murtaddeen and munaafiqeen) flee will overtake you. Then shall you be returned to (Allah) Aalimul Ghaib wash Shahaadah. He will then inform you of what you had perpetrated (of all your kufra and nifaaq).”***

(Al-Jumuah, Aayat 8)

TAHA KARAAN, the MJC's chief proponent and promoter of the kufra protocols of the atheists had rigidly adhered to observing the kufra niqaab of Iblees, Ibleesi distancing and the whole gamut of protocols designed for him and vomited into his mouth by the atheists of the West.

Taha Karaan had set into motion the plot of demolition of Islam by digging up the very foundations of this Deen. He had satanically influenced and advised:

*Suspension of Jumuah Salaat, banning of the five daily Fardh Jamaat Salaat, closure of the Musajid, donning the mask of Iblees, observing Ibleesi distancing, abstention from the Masnoon acts of MUSAFAHAH and MUAANAQAH, etc., etc. His satanic rationale was ***“to save lives”***. He had by implication rejected the explicit Qur'aanic Aayat which proclaims:

“No person will die except with the permission of Allah at the appointed time.” (Aal Imraan, Aayat 145)

All his endeavours in his satanic mission “to save lives” were KUFRA. He had deracinated his Imaan from his heart. All the protocols of the atheists which he

had so zealously propagated, promoted and adhered to did not save him from MAUT. When his appointed time arrived, Allah Azza Wa Jal said: ***“DIE! PERISH!”***, and he died from that Maut from which he was fleeing with the protocols of the atheists. And, now we are told that another ‘senior’ MJC jaahil ‘sheikh’ has also been apprehended by covid despite his rigid observance of the kufr protocols. Dua should be made for him to return to the fold of Islam. Dua should not be made for *shifa*’ (cure).

These miscreants want to fight Allah Azza Wa Jal. They believe like the atheists that the measures forged and frauded by the western kuffaar can thwart Allah Ta’ala – can foil Malakul Maut – can save them from Maut. All over the world most of those who perished and perish of covid are the people who rigidly adhere to the kufr, Ibleesi protocols.

No matter where they seek to hide in their quarantine abodes and no matter what measures and protocols they adopt for combating Maut, Death will overtake them precisely at the second commanded by Allah Azza Wa Jal.

“Wherever you may be, Maut will find you even if you are (quarantined) in powerful towers (and forts).” (An-Nisaa’, Aayat 78)

Seventy five years ago we learnt at school a nursery rhyme about Humpty-Dumpty. Today we see some sense in that rhyme as it applies to Taha Karaan and all other zindeeqs and munaafiqs who had made vigorous attempts and had instituted disgusting acts of kufr in their belief of being able to save themselves and others from Malakul Maut.

When Humpty-Dumpty had a great fall from the wall, then “all the king’s men and horses could not put Humpty-Dumpty together again”. He had perished. All the ‘king’s horses and men” (the kufr covid protocols of Iblees) could not put Taha Karaan together, i.e. all the kufr protocols could not save him from Maut which was perpetually stalking him and stalks us all. Rasulullah (Sallallahu alayhi wasallam) said that MAUT calls at us five times daily, reminding us of its imminent and sudden arrival, and so too does the Qabar call us daily reminding us of our ultimate worldly abode where the body will rot and be a feast for worms.

May Allah Ta’ala grant taufeeq to Muslims to understand that no one can flee from Maut. No one can be saved from Maut by the protocols of Shaitaan.
