## **Saaberie Chishtie's message to observe Haraam protocols**

Asalaamualaikum Moulana Sayed Yusuf and all at Saaberie Chishti Society.

The Saaberie Chishti's message on social media asking all to observe Haraam protocols in order to save lives is a betrayal of Allah Ta'ala and his Messenger Nabi salallahu alayhi wasallam.

Under the trick and deception of "precautions" ie. Masks, social distancing, sanitizing with alcohol, no hugging, no shaking hands, the Hizbush Shaitaan Mafia cartel have "halaalized" Shar'i prohibitions, propagated Kufr, adopted filth and have denied the explicit declarations of Nabi salallahu alayhi wasallam.

Moulana Yusuf Saheb, why do you and the Saaberie Chishti society fear this laboratory made virus? Are you not aware that this virus moves, acts and assails only those whom Allah Ta'ala has earmarked? It's trajectory is by Allah Ta'ala's command. The Ummah should not fear this virus. Rather fear Allah Ta'ala and not be part of the gamut of bootlicking Molvies, Sheikhs and the so called Muslim doctors who are incorrigibly blinded by Iblees !!!

Nabi salallahu alayhi wasallam stated that "There is no contagion". And he made it abundantly clear that a plague comes with Athaab or Shahaadat. There is no third factor underlying the plague. The person earmarked by Allah Ta'ala will not escape and the stupid Haraam protocols will not avail him. On the other hand the person whom Allah Ta'ala has decreed to be elevated with Shahaadat will attain his lofty rank. There is no need for the filth of Kufr protocols which "deviated" Muslims believe can thwart and nullify Allah Ta'ala's decree!

Allah Ta'ala makes this clear in Surah Al Imraan verse 145 "No person will die except at the appointed time with the command of Allah Ta'ala".

Moulana Yusuf Saheb, true Muslims should only be interested in the "theory" of the Deen of Islam, not the utter lies and the falsehoods the media and the government bombards us with.

Most of those who are perishing with covid-19 are those who fanatically subscribe to and observe the protocols of Iblees. Their devil's mask and devil's distancing and their closure of Musjids have not saved their lives.

JazakAllah,

A.Elias.
