THE FISQ AND KUFR OF THE RADIO SHAITAAN MOLVIS

An agitated Concerned Brother from Lenasia writes:

Assalamu alaykum

“What has happened to our Ulama? (They are not Ulama. They are DEVILS in human form – The Majlis)

Kindly find pictures of Radio Islam (RADIO DEVIL) winning an award. The ceremony included half naked women and wine galore. (They are adept in ZINA daily in their devil studios – The Majlis)

“May Allah save us from his Athaab. Ameen (May Allah Ta’ala save the community from these filthy human shayaateen – The Majlis)

“Where are the Jamiats? (They are in cahoots with these ZAANI shaitaani molvis. The Jamiats which do not align itself with the zina, fisq and fujoor of the DEVIL molvis of Radio Devil, but opt for abstention from Amr Bil Ma’roof Nahy Anil Munkar, are ‘DUMB DEVILS’ according to Rasulullah – Sallallahu alayhi wasallam). – The Majlis)

“My family use to contribute generously to Radio Islam (Radio Shaitaan and Zina – The Majlis), but after this they will not get a cent. I urge every descent Muslim not to support this evil station who has deceived us and betrayed us.

Also find photo of Moulana Hayder who is the Ameer of Radio Islam.

May Allah grant someone the courage to get rid of this faasiq-faajir person so that the Ummah could benefit from a really true Radio Islam. (Forget about any radio ever benefiting Muslims. These radios are all appendages and traps of Iblees – The Majlis)

Moulana, please comment. Lots of people are upset. Radio Islam don’t want to take the calls that critics and questions them.

Was salaam”

(End of letter)

Nothing is surprising when it comes to these CREEPS who form the ulama-e-soo' fraternity. They are shayaateen born for spreading fitnah, fisq, fujoor, bid'ah and kufr. These evils are their salient features by which intelligent Muslims concerned with their Aakhirat can distinguish the villain munaafiqeen who masquerade as 'ulama'. They are fussiaaq, fujjaar and munaafiqeen of the worst order.

When they have now descended into the lowest sewerage depths with their flagrant and public indulgence in wine and zina, how is it possible for any Muslim who has not lost his Imaani bearings and sanity to ever find it in his/her heart to support this exceptionally evil radio? May Allah Ta'ala destroy these DEVILS who are actively destroying the Deen.
