THE MOON DEBACLES OF THE NNB jamiat and BOGUS 'uucsa'

Moon debacles, especially at the time of Ramadhaan and Eid have become a perennial phenomenon. When the Shariah is assigned a secondary role, and false and vain desires and objectives are accorded preference and priority, the inevitable consequence will be a debacle in terms of the Shariah.

Allah Ta'ala has ordained a simple – extremely simple – method for the determination of the Islamic months. That method is to simply sight the *Hilaal* (the Crescent Moon) and end the existing month to commence the new month. To confirm a sighting is also quite simple. The Fuqaha have explained in detail the requisites for this simple process.

On one occasion an illiterate village dweller coming from the outskirts of Madina reported that he had seen the hilaal. No one else had seen it nor reported a sighting. Rasulullah (Sallallahu alayhi wasallam) only asked him if he believed in Allah and His Rasool. When the *A'raabi* (the rustic) confirmed his Imaan by responding in the affirmative, Rasulullah (Sallallahu alayhi wasallam) issued instructions to announce the commencement of Ramadhaan. There were no requisites of superfluity, futility and stupidity such as the fabrications of the astronomers and the quarter-baked molvis of Bogus 'uucsa' and the miscreant NNB jamiat of Fordsburg.

According to the Shariah, once a sighting of the *hilaal* has been reliably confirmed, it is Waajib to make the announcement and execute the obligations related to the month. It is haraam and treacherous to conceal this information from the community for the sake of some hallucinated objective of a false 'unity'. The NNB jamiat and Bogus 'uucsa' are guilty of this major crime of *Kitmaanul Haqq* (*Concealing the Truth*), and confusing Haqq with baatil.

It is the policy of the NNB jamiat to conceal this information, and this is done at the behest of the MJC Carrion vendor, the agenda being a false and a haraam 'unity'. If the

sighting of the hilaal has been confirmed by the NNB jamiat, it does not have the 'right' according to the MJC of making the announcement of confirmation. The haraam 'unity' policy of BOGUS 'uucsa' demands that the NNB jamiat seals its lips, conceals the Haqq, causes confusion with plausible LIES to deceive the Muslim community until the MJC confirms a Cape Town sighting where the sun sets about an hour later.

One does not need to be a molvi or a sheikh to understand this haraam stance of the NNB jamiat. Whilst the Shariah commands that the announcement be made, the policy of false and haraam 'unity' demands that the news of the sighting should be suppressed despite the confirmation. Thus, the consequence is a debacle.

Others who are not fettered to the flotsam BOGUS bodies, will announce the commencement of Ramadhaan for example, whilst the NNB jamiat molvis will be in floundering in a quandary because the sun has as yet not set in Cape Town. The NNB jamiat is constrained by the haraam policy to conceal the truth. In order to justify this haraam concealment of the Haqq, the NNB molvis will go to inordinate lengths to find deficiencies in the sighting of those who had reported to other reliable organizations.

As long as the Shariah is not regarded as Allah's immutable Law and accorded priority over all stupid policies and false concepts of 'unity', the debacles will continue. The people of Haqq will not wait for the BOGUS characters to make their announcement. Once the sighting of the *hilaal* is confirmed, the announcement shall be made. The Qur'aan's message for BOGUS 'uucsa', the NNB jamiat, the MJC and all of their ilk is:

“Do not confuse the Haqq with baatil (falsehood), and do not conceal the Haqq whilst you are aware.”
