

THE BCCSA DID DISMISS SANHA'S INITIAL COMPLAINT

SANHA's BCCSA blunder is kufr since it is in rejection of the Qur'aan Majeed command:

"And, if two parties among the Mu'mineen fight/dispute, then make peace between them."

Having rejected the proposed arbitration by SANHA's appointed "Grand Mufti of S.A.", Hadhrat Maulana Radhaul Haq, the Carrion Cabal consisting of Navlakhi, Lockhat and Patel, committed the kufr of rejecting the above Qur'aanic aayat.

Then, after this first act of kufr, SANHA perpetrated the second act of kufr by enlisting the aid of the BCCSA court in its nefarious bid to humiliate Mufti A.K.Hoosen who had proclaimed all SANHA's halaalized chickens to be **HARAAM**. In running to the kuffaar BCCSA court, SANHA stands in flagrant rejection of the Qur'aanic aayat:

"Those who do not decide in accordance with that (Shariah) which Allah has revealed, verily they are the kaafiroon."

In the attempt to gain some credibility, SANHA alleges that the BCCSA did not dismiss its complaint. This is a blatant LIE. SANHA's Mr.E.B.I Lockhat had initially written a letter of complaint and grievance to the BCCSA. However, the BCCSA had dismissed SANHA's complaint. That is precisely why SANHA has submitted a supplementary complaint in a bid to achieve its pernicious objective of humiliating Mufti A.K.Hoosen. The submission of the supplementary complaint is the evidence for the dismissal of the initial complaint of SANHA.

This matter is not between only SANHA, the carrion halaalizer and Mufti A.K.Hoosen. It

concerns the entire Muslim community. Mufti A.K.Hoosen had declared all Rainbow and all other commercially killed chickens HARAAM. It is a matter affecting all Muslims. It is therefore the duty of Muslim to abstain from the haraam carrion which SANHA halaalizes, and to also apply pressure on the Carrion Clique of SANHA to come to its senses – to make taubah for having rejected the Qur'aanic command, and to submit to the arbitration of Hadhrat Maulana Radhual Haq who is the senior Ustaadh of both Mufti A.K.Hoosen and M.S. Navlakhi, the spin doctor who had elevated the venerable Hadhrat to the pedestal of "Grand Mufti of S.A."
