

Bid'ah is a platform for Satanism. **Bid'ah** is shaitaan's most potent trap for enmeshing Muslims in Satanism in the name of the 'deen'. In Cape Town, a group of Satanists dubbing their outfit of Satanism, *The Seerah Conference*, is organizing a festival of Iblees dubbed 'mawlid' which is a ***bid'ah sayyiah (Evil Bid'ah)*** merrymaking act satanically presented as a 'birthday' celebration of our Nabi (sallallahu alayhi wasallam). While the 'mawlid' (moulood/meelaad) bid'ah has been around for a few centuries, having been originated six centuries after Rasulullah (sallallahu alayhi wasallam) by a miscreant king, the Satanists in Cape Town are giving it a new meaning. It has degenerated to an ebb lower than the immorality of the coon carnival.

The shaitaani ingredients of the festival of Iblees are:

- "Cape Town Athlone Stadium: The first ever *Night Mawlid* under floodlights
- "Food and other stalls'
- Kiddies play area
- Singing stupid songs ostensibly in praise of Rasulullah (sallallahu alayhi wasallam)
- And, of course, there will be the entertainment of the singers, actors and Satanists in human form.

Among the actors who will be baboonacally performing at the coon carnival of Iblees are *some shayaateenul ins*

. These Bid'ati miscreants are one Babikir Ahmed Babikir, one an-Ninowi, and one Afeefuddin al-Jallaani. These characters are specifically targeting the ignorant Muslims of South Africa for selling their Bid'ah wares. The objective of these haraam bid'ah carnivals and festivals is the haraam boodle. The money is being despicably pursued in the name of Rasulullah (sallallahu alayhi wasallam).

The despicable level to which these Bid'atis have sunk in laying their Satanist trap and the level of Muslim indulgence in these coon-carnivals of bid'ah highlights the abject rotten state of the Imaan of the masses. No one in Cape Town appears to have the ability of distinguishing between truth and falsehood, light and darkness. What is the function of the Ulama in Cape Town? Even the liberal MJC molvies and sheikhs, despite being men of the dunya, do understand that these stupid, haraam mawlid functions are pure evil bid'ah. But, like dumb devils, these so-called 'ulama' have welded their lips into silence. They will join the crowd of Satanists rather than proclaim the Haqq for the guidance of the ignorant masses who are easily

entrapped in the snares of Iblees which the Ahl-Bid'ah Satanists lay for ambushing the *juhhaal*. The sole function of these MJC misguiders (mudhilleen) is the halaalization of carrion for minting the haraam boodle. They have no other job.

Mawlid functions are haraam. It is haraam to participate in these accursed bid'ah festivals. Any decent Muslim whose conscience has not yet been destroyed by spiritual corrosion will understand the utter villainy of these Satanists who organize these carnival functions in the name of Rasulullah (sallallahu alayhi wasallam). The evil of these functions is conspicuous – clearer than daylight. There is no need for an *Ilmi* dissertation to show the vice that this 'mawlid' carnival is.

Bid'ah is a shaitaani evil which completely makes *maskh* (totally disfigures) the Muslim's heart and brain. The intelligence becomes overshadowed with Satanism as a consequence of indulgence in Bid'ah. People of Bid'ah are described in the Hadith as *Kilaabun Naar (The Dogs of The Fire)*.

Allah Ta'ala effaces from their hearts the inclination of *Taubah*

(repentance). Therefore, Rasulullah (sallallahu alayhi wasallam) said:

“Verily, Allah deprives every person of Bid'ah from Taubah.”
