

THE JAMIATUL ULAMA GAUTENG HAS ISSUED THE FOLLOWING STATEMENT:

On Thursday, the 25th November 2010, a Muslim sister interviewed a non-Muslim man on the so-called Radio "islam". We feel embarrassed to quote in verbatim parts of the shameless discussion on Aids which was forwarded by many outraged Muslims to us. We do so with the greatest of reluctance. Nothing is quoted out of context. The entire recording could be obtained from the Radio station. Hereby follows some snippets of the conversation:

Non-Muslim: "And anal sex, anal sex, you also get it, and oral sex you can also get it. So under sexual intercourse, there are three types: It's vaginal, it's anal and it's oral."

Radio Shaytaan Muslim sister: "O.K."

Non-Muslim: "But in actual fact we should be issuing condoms after we have demonstrated but sometimes we just assume that people they now know how to use condoms. We have got some equipment that look like the man male organ and we demonstrate how to use condoms. You need to expel the air completely. If there is air the condom will make a bubble in front in the tip of the penis, and eventually the condom will burst so I am not saying the condoms are not safe. The condoms are 100% safe but depending on how you use them..."

Radio Shaytaan Muslim sister: "What do you do if in case this happens if you if you realize that the condom must have torn or something, what is immediate what must the person do immediately?"

Non-Muslim man: "You need to, both of you, woman and the man, need to go to the clinic or the hospital and explain to the doctor that the condom burst."

Nabi Salallahu Alayhi Wasallam said that shame is half of Imaan. Every Muslim will be shocked and disgusted at the above shameless discussion which a Muslim sister conducted on air under the guise of educating the Muslims about AIDS.

Radio "islam" claims that they are the only truly Islamic Radio in the World. Ask yourself: "Is the above shameless conversation consistent with the Haya and modesty which true Islam teaches?"

There was a time where the Ulama of the same Radio station promised that they would never allow women to broadcast their voices. Today, they encourage our sisters to discuss shameless topics with non-Muslim men. They could not find a single male to conduct this shameless interview. No wonder the Ulama are losing all respect. Shaytaan has truly misled them. "And Shaytaan instructs you to be shameless." (Surah Baqarah. V.268). It is only at the time of Maut that they will realize how Shaytaan duped them and how they displeased Allah Ta'ala.

Radio "islam" wins prizes from the Americans and non-Muslim companies. They are congratulated by Jews such as Rothschild. Why? Because the Non-Muslims know that the harm of the shameless Radio is much more than any true Islamic benefits.

The Jamiat-ul-Ulama based in Fordsburg fully blesses the operations of the Radio Station. They must take full responsibility for this evil and revolting interview which is not an isolated case.

We call upon all the sincere Ulama, especially those who conduct programs on Radio Shaytaan to open their eyes and to publicly distance themselves from this evil Station. Their presence is misleading the Ummah who feel that since Moulana so and so comes on air, everything must be fine. What answer will these Ulama give if Nabi Salallahu Alayhi Wasallam asks them on the Day of Qiyamah why they remained silent when such shameless programs were aired?

IT IS HARAAM TO WORK, SUPPORT, ADVERTISE OR TO LISTEN TO THIS EVIL RADIO STATION – RADIO SHAYTAAN.

COMMENT BY MUJLISUL ULAMA OF S.A.

“Do not follow in the footsteps of Shaitaan. Verily, he is your open enemy. Verily, he instructs you with evil and (filthy acts of) immorality, and that you fabricate about Allah what you know not.”

(Qur’aan)

‘As-Soo’ (evil) and ‘Al-Fahsha’ (filthy acts of immorality), are salient attributes of kufr and Satanism. When ‘Muslims’ have stooped to the sub-baboon level to put on public exhibit a ‘Muslim’ woman to discuss filthy acts of sex with a non-Muslim male, to be broadcast to all and sundry, then we know that the time is not distant for the materialization of Rasulullah’s prediction that men and women will indulge in adultery and fornication like dogs and asses in public streets in full view of passing pedestrians, and no one will have the courage to even say: Do your deed around the corner out of public view.

When a ‘Muslim’ woman can in public have the degree of shamelessness to interview a non-Muslim man on a topic which perhaps a modest, shameful wife of Taqwa will not venture to broach with her husband in the privacy of the bedroom, then the prevalence of kufr – real kufr – on a large-scale in the Muslim community is confirmed.

It is sickening and most disgusting to contemplate that this vile, kaafir Radio Porno-Shaitaan is the voice of the NNB Jamiat (NO NAME BRAND JAMIAT OF FORDSBURG), and these vile, miserable vermin masquerading as ‘ulama’ have allowed, in fact commanded, a ‘Muslim’ woman to participate in a porno-programme which puts Iblees Laeen to shame. The filth and immorality in which the ‘Muslim’ woman had indulged in her public exhibition is the immoral vomit of the NNB Jamiat which she spewed out on air, contaminating the pure air waves which Allah Ta’ala has created for the benefit of mankind.

These devil molvis of the NNB Jamiat, undoubtedly, are aware of the Islamic methodology when teaching sex masaa-il (haidh, nifaas, etc.) to girls. Despite it being Waajib for the girls to learn these issues, Hadhdrat Maulana Ashraf Ali (rahmatullah alayh) states in Beheshti Zewer: “If the teacher happens to be a male, then he should not teach these masaa-ol (to the girls). He should either acquire the services of his wife to explain these issues, or (failing this), instruct the (female) pupils to study these masaa-il afterwards by themselves. If the pupils are young boys, then too, he (the teacher) should not teach them these masaa-il. He should only advise them to study these masaa-il at some time in the future.”

But, today we find the NNB Jamiat’s Radio Porno-Shaitaan putting ‘Muslim’ females on public exhibition to discuss filthy, zina acts with non-Muslim males. Every vestige of Imaani Haya has been jettisoned. A ‘Muslim’ woman who was able to muster up the audacity to publicly discuss explicit zina acts of the filthiest kind with a non-Muslim male, can never be a Muslim. This woman had long ago destroyed her Imaan. Her act of immoral shamelessness excreted out on the NNB’s Porno-Shaitaan Radio, was her act of self-exposure of her hidden kufr. She had by her abominable, unnatural, immoral zina talk so flagrantly spewed out over the holy airwaves of Allah Azza Wa Jal, simply advertised her hidden kufr in which the NNB Jamiatush Shayaateen had tutored her.

There was a time, some years, ago when these followers of Shaitaan were still a shadow of the Old Jamiatul Ulama Transvaal, that Molvi Dhorat emphatically asserted their Shar’i stance as

follows: "In order for Radio Islam to adhere to your (i.e. Yield's) proposal, as outlined, namely presenting female hosts on Radio Islam, Radio Islam would of necessity be required to act in contravention of the Code of Conduct ... This is so because Radio Islam would broadcast material in a manner which is offensive to the religious convictions and feelings of the overwhelming majority of Muslims who follow the Quran and the teachings of the Prophet (Peace be upon him. ... Any suggestion to act contrary to the fundamental tenets of Islam will not be acceptable to Radio Islam. Radio Islam is not apologetic about its Islamic principles and will do everything in its power to uphold and further the interests of the overwhelming majority of the Muslim community.

In a pamphlet stating its intention of NOT allowing females to broadcast, the Jamiatul Ulama Transvaal, stated: "Moreover, modesty is the essence relating to the prohibition of intermingling of sexes and hijab. The Jamiatul Ulama Transvaal has no authority to effect any variation to these decrees."

But today, in the philosophy of the NNB Jamiat or Jamiatush Shayaateen, the concept of 'modesty' permits 'Muslim women to publicly, over the air discuss lewd, immoral filthy, zina issues of satanic abomination with non-Muslim males. The elimination of Imaan follows in the wake of the elimination of Haya, for Rasulullah (sallallahu alayhi wasallam) said: "Haya is a Branch of Imaan."

The Qur'aan Majeed commands even the noble Wives of Rasulullah (sallallahu alayhi wasallam) to adopt harsh and abrupt tones when the need developed to explain Shar'i masaa-il to even the Sahaabah: "Do not make alluring (your) speech, (for if you do so), then he in whose heart there is the disease (of carnal lust) will desire." (Surah Ahzaab)

But today we find followers of Shaitaan masquerading as 'molvis' and proclaiming themselves to be Ulama, instructing 'Muslim' women to excrete immoral filth from their mouths over the bounty of airwaves by discussing immoral rot with non-Muslim men. Indeed, this entire progeny of Shaitaan will hang upside in Jahannum. They will be dragged naked on their faces and cast into the blazing pits of Hell to roast for having advertised immoral filth in the name of Islam. These shaitaani molvis who promote and condone the immoral filth, will have to circumambulate their entrails in Jahannum.

In the early stages when this Devil's Porno-Radio had deceived the Muslim community by donning an Islamic façade, the NNB Jamiat's, Molvi Dhorat stated:

"It is true that there are no female presenters that host any particular programme on Radio Islam. The reason for this is two-fold:

- i) This is in accordance with Islamic law based on the Quran and the teachings of the prophet (peace be upon him), as will be fully shown.
- ii) It is in accordance with the role of woman from an Islamic perspective against intermingling of sexes in preserving the modesty of both men and women. .... About the voice of a woman the following is stated in the Quran: "...and do not speak in soft alluring tones, for then, he in whose heart there is a disease, will lust." (Surah Ahzaab, aayat 33).

Based on the above Quranic aayat as well as other clear indications of the Sunnah and the jurists of Islam, it is unanimous that the female voice is also subject to the laws of intermingling of sexes and to be concealed. The Jurists book Shaami which is one of the authoritative books of Islamic law states: 'And, her voice is also satr (to be concealed) according to the most authentic view.'

What has happened to all these holy pronouncements of the NNB Jamiat? Now the voice of

woman has become lawful for prostitution. The 'ulama'-e-soo (vile, abominable molvis of the NNB Jamiat) have surpassed the ulama-e-soo' of Bani Israeel. The Ulama-e-Soo of Bani Israeel did not stoop the level of the NNB Jamiat molvis who are scraping the very bottom of the barrel of 'soo' and fahsha'. The Mujlisul Ulama's book, Betrayal of Islam - The Debacle of Radio Shaitaan explains the haraam somersault of the NNB Jamiat's molvis. This booklet is available. Write for a copy.

By instructing the 'Muslim' woman to perpetrate flagrant zina with the non-Muslim man with her voice, mind and heart, the NNB Jamiat molvis should understand that in the history of Islam they are the very first Shayaateenul Ins (Human Devils) who have opened the door wide for the commission of actual zina in public. They will yet rue the day they were born on earth. We register our complaint in the Divine Court.
