

THE HALAALIZED CARRION OF ALL COMMERCIAL ESTABLISHMENTS

Every sincere Muslim among even the masses, does understand the reality of the meat and chicken products which are commercially sold as 'halaal'. The truth does not escape the discernment of even the laity regardless of the desperate attempts of self-vindication of the haraam Carrion Clique comprising of SANHA, MJC, NIHT, ICSA and some other upstart bogus carrion halaalizing epistasis entities.

A Brother from Durban visiting Gauteng, write the following letter to a Muslim business dealing in haram carrion products:

ZUBIS BRAAI CORNER, Asalaamualaikum.

As a visitor from Durban i read in this Laudium Magazine that you state that you are "the only Halaal steakhouse in Heliodor, Laudium. For this to be true your meat/beef and chickens will have to be slaughtered according to the Shariah.

Now if you are buying your meats/beef and chickens from your local Muslim butcher then unfortunately your shop/braai corner is not Halaal. The reason for this is simple. All meats/beef and chickens supplied to butcheries by the Abattoirs are slaughtered according to a system alien to Islam.

These Kuffaar abattoirs stun their cattle by shooting a 10 cm bolt into the animals head. The skull shatters splattering the animals brains. The animal is then hoisted upside down on a

conveyor belt proceeding to the Muslim slaughterer who recites the Tasmiyah on this already dead/paralysed animal. Sheep and goats are stunned with an electric stun gun and also hoisted upside down going to the slaughterer.

Chickens are the worse off. They do not see the sun or grass in their lifetime. Grown in a covered house they are brutally fattened and are pumped with antibiotics and growth hormones. They are also hung upside down on a conveyor belt and stunned by dipping their heads in an electrified water tank. After they are slaughtered they are immediately put into a hot bath for de-feathering purposes. This whilst they are still not fully dead, and with the entrails and filth still enclosed within their carcasses.

So you see, Zubis Braai corner, Allah Ta'ala's system of Thabah is abandoned. Check the ruling if you do not believe me. Do not trust the 'so called Halaal bodies'. They have no answers to the above situation. They only say previous Ulema sanctioned it. But we are not the followers of Ulema who said this was OK. We are the followers of the Qur'aan and the Sunnah as expounded by Nabi (sallallahu alayhi wasallam).

Therefore to be Halaal you have to slaughter your animals by hand. Chickens have to be free range and then slaughtered by hand. Failure to abide by the rules of the Shariah for Thabah, renders the meat. Beef and chickens Haraam. JazakAllah, Was-salaam

(End of the Brother's letter)

COMMENT

The Brother has adequately explained the reality of the haraam carrion industry halaalized by the Carrion Mafia Cabal. Furthermore, a plethora of literature of damning evidence for the indictment of the Carrion Halaalizers in the Divine Court on the Day of Qiyaamah is available to anyone who is interested.

Of glaring significance is that SANHA and Carrion Co. have hitherto not provided a **single** valid Shar'i argument to bolster its claim of the chickens, etc. being halaal. The solitary, miserable pedantic apodal which SANHA monotonously proffers as its 'daleel' for proclaiming the carrion to be 'halaal' is that senior Ulama decades ago had sanctioned the carrion products. Besides this stupid and baseless averment, there is not a single Islamically rational and valid argument which any of the Carrion Halaalizers has ever or will ever be able to present in vindication of the satanic system of killing which produces the carrion chickens and carrion meat products.

It is with grief that we are constrained to say that the couple of foreign senior Ulama who had been tricked by the local Ulama to inspect the Rainbow carrion plant, had committed the grave injustice of maintaining silence in the face of the total displacement of the Shariah's system of Thabah and the adoption in its place of the Devil's system which Rasulullah (Sallallahu alayhi wasallam) termed, *Shareetatus shaitaan*. In every kaafir commercial plant without exception, and in almost every Muslim facility, *Shareetatus shitaan* is the system. With their silence, the senior Ulama had rendered a sad and lamentable disservice to the Muslim community. In addition they were guilty of *Khiyaanat* towards the Deen by having abdicated from the pedestal of *Amr Bil Ma'roof Nahy Anil Munkar* in so far as the abrogation of the Islamic system of Thabah is concerned – a system which is among the *Shiaar (Outstanding and salient) features* of Islam.

They had unintentionally, lamentably and unforgivably provided a basis for the unscrupulous scoundrel carrion halaalizers to destroy the Imaan and Akhlaaq of the community with carrion which they audaciously proclaim 'halaal' on the strength of the haraam silence of the couple of seniors who had visited South Africa some decades ago.

It should be well understood and remembered that the errors, defects and failures of senior Ulama may not be cited as daleel (proof) for haram and villainy. The failure of the senior Ulama to proclaim the Haqq is not a daleel for permissibility of baatil and carrion. Carrion does not become halaal because seniors had for whatever political or 'hikmat' expediency maintained silence when they observed with their own eyes the brutal pillage of the Ahkaam of the Shariah in the form of the total destruction of the system of Thabah ordained by Allah Azza Wa Jal.

Allaamah Abdul Wahhaab Sha'raani (Rahmatullah alayh), the illustrious authority of the Shariah of the 9th Islamic century said: *"He who holds on to the obscurities of the Ulama, verily, he has made his exit from Islam."*

What SANHA is saying about this stupid 'daleel' is in fact the prompting of Iblees. The errors of the seniors should be swept under the carpet, not carrion and not the Ahkaam of the Shariah. The senior Ulama are not gods to be worshipped. Severely rebuking the masses of Bani Israael for 'worshipping' their senior Ulama, Allah Ta'ala says in the Qur'aan Majeed:

"They take their ahbaar (molvis and sheikhs) and their ruhbaan (saints) as gods besides Allah...."

When the Ulama-e-Soo' used to proclaim glaringly haraam to be halaal or vice versa, then the masses of Bani Israaeel would readily accept such corrupt fatwas which were palatable and appealing to the nafs. This very same malady is now deeply entrenched in the Muslim community. Further, condemning the Ulama and the Shaikhs who mislead the masses with their corrupt fatwas and with their **silence**, the Qur'aan Majeed states:

"Why do their molvis and their buzrugs not prohibit them from their sinful statements and from their consumption of haraam? In deed, evil is that which they used to perpetrate."

In this Qur'aanic aayat, Allah Ta'ala warns the Ulama and the Shaikhs who abstain from preventing/forbidding haraam, falsehood and carrion. Yet, is indeed lamentable when senior Ulama maintain silence when Allah's Ahkaam are flagrantly pillaged and plundered, and all of this mutilation of the Deen is the consequence of worldly and monetary motives and insane cravings.

They found condoning the abolition of the Islamic system and the condonation of the devil's system tolerable. Promoting the financial empires of the Yahood and Nasaara was sufficient ground for destroying the Islamic system of Thabah and opening up a massive, satanic avenue for the ruin of the Imaan of the entire community with carrion addiction.

It is haraam to perpetuate the myth of permissibility of devouring carrion on the basis of the glaring failures of some senior Ulama. SANHA is guilty of extravasating haraam capital from the error of some of our senior Ulama who had visited the country decades ago and who had condoned the haraam system of shaitaan's slaughter (shareetatus shaitaan in Rasulullah's words) with their ignoble silence which has caused irreparable damage to the Imaan and health of entire communities by the evil manipulation of the error by scoundrel carrion halaalizers such as SANHA.

The devil's system of killing animals is thoroughly satanic. There is not a single facet of this brutal devilish killing system which conforms to the Thabah system ordained by Allah Ta'ala. Now when the entire system of killing from the very beginning to the end is satanic, haraam and in violent conflict with every Thabah rule of the Shariah, how is it ever possible to produce halaal chickens and meat products from such a rotten, filthy, brutal satanic system of merciless killing?

The claim of the neck vessels being validly severed and the Tasmiyah being recited will be rejected by even the baboons who inhabit the forested areas around the Rainbow plant. If any Muslim believes such a preposterous brutal LIE disgorged by SANHA, then undoubtedly it will be evidence for the mental derangement of such a stupid sucker who is capable of lapping up the filth of the carrion lies bandied out by the carrion fitnah-mongers who have bartered away their Imaan for the sake of the miserable haraam riba boodle of this dunya.

ALL MEAT AND CHICKEN PRODUCTS HALAALIZED BY SANHA AND THE OTHER MEMBERS OF THE MAFIA CARRION CABAL ARE HARAAM DISEASED FILTH WHICH CAUSES CANCER AND A HOST OF OTHER SERIOUS INCURABLE DISEASES WHICH TAKE THEIR TOLL IN LATER LIFE.
