

A MURTAD GAY SO-CALLED 'imaam'

The Muslim Students Association of the University of KwaZulu-Natal issued the following statement condemning the University's hosting of a murtad gay to give a talk on Islam:

Gay 'imaam' at PMB Campus Tomorrow

To whom it may concern

It has come to the attention of the Muslim Students Association (MSA) of UKZN Pmb campus that the Theological Cafe plan to host the infamous Muhsin Hendricks on Monday 7th of March. This news has caused extreme distress to the Muslim community, both on and off campus. The concepts and ideals which Hendricks's is promoting are considered extremely questionable as they are not in line with, and directly contradict the teachings of Islam. The MSA openly condemns him, his beliefs and his actions. It is outrageous that the Theological Cafe should choose to host an event that would cause direct offense to all Muslim students that are part of UKZN.

We strongly urge you to cancel this event.

Sincerely
Muslim Students Association

UKZN Pmb
