

JAAHILAH 'APA' KHATIJA RANDEREE

Another female jaahilah, 'Apa' Khatija Randeree, has surfaced in the public domain to encourage ignorant women to plod the path of *dhalaal*. The apa should remain at home preparing samoosas and baking cakes. The public domain is not for women.

When *haya* is abandoned, then a woman is free to do as she pleases. This unfortunate *Naaqi sul Aql*

entity has no

haya,

hence she advertises her name in the public domain. How is it possible for her to offer 'maximum guidance' when she plods the path of

dhalaal,

and when she is ignorant of the fact that Rasulullah (Sallallahu alayhi wasallam) said:

"Woman is aurah. When she emerges, shaitaan lies in ambush for her."

It is haraam for her to appear on Channel Shaitaan to advertise herself in flagrant violation of the Qur'aan and Sunnah which command her to conceal herself, including her voice and her name.

A woman's *Nuqs fil Aql (intellectual deficiency)* is greatly magnified when she abandons *haya* and takes to the public platform. There is no goodness in her talk. Shaitaan manipulates women in the public domain, using them under 'deeni' guise for the spread of

fitnah

. She is undoubtedly, a Sign of Qiyaamah.
