

## **MUSJID INVASION BY PROSTITUTES AND LESBIANS**

### ***Question***

***A group of women very defiantly entered the Masjid in Ormonde for iftaar and Salaat. Despite the Masjid authorities prohibiting them, they stubbornly remained and refused to leave. What is their status in terms of the Shariah?***

### **Answer**

These women bereft of any vestige of *haya* (*Imaani shame and modesty*) conducted themselves lewdly like prostitutes. Perhaps they are lesbians. It is never possible for a decent Muslim lady of respect and shame to ever acquit herself with such obscenity as these lesbians had flagrantly, rudely and in Shiah style displayed.

Some people say that they are affiliated to the Shiah and their invasion of the Masjid was a plotted *fitnah*. The motive is to create mischief. Lesbians and prostitutes are experts in this satanic art of causing *fitnah* and *fasaad*.

The fact that they selected the Masjid for their immoral *fitnah* confirms their satanism and the sinister elements goading them to commit the atrocities which they had perpetrated in the Masjid. They are lewd *Munaafiqaat*  
the Shariah. according to

The trustees of this particular Masjid have to bear the evil liability of the haraam stunts of the

immoral lesbians/prostitutes. It is a case of the chickens coming home to roost. They had opened the doors for this invasion by street scum whose morality is of the sewer drain type where rats prowl. The trustees of this Masjid had made provisions for 'ladies' facilities, and had even invited them to view the Masjid at the haraam opening day ceremony. Now what they are seeing are the consequences of their haraam and flagrant flouting of Allah's Shariah by having thrown open the Masjid to these obscene, immoral lesbians-type women. May Allah Ta'ala save the Ummah from these legions of Shaitaan.
