A WIFE WHOSE HUSBAND IS INVOLVED WITH A FACEBOOK ZINA GROUP OF FUSSAAQ AND FUJJAAR, WRITES:

“There is a group of men operating since 2 yrs pretending to be helping with money, etc., but is actually a group of sex scoundrels luring people into the web of zina. This group of zina is run by ‘muslim’ men from Johannesburg. My husband was ensnared and caught with one of the immoral women. I want **talak**.

I am sending you these screenshots as proof of the evil, filth and zina of these scoundrels who pretend to be men of repute. These people are making a mockery of Islam, talking about haraam sex 1 day and hadith the next day. Then they are having secret meetings. These men have trapped thousands of our sisters. Something must be done to stop these evil devils.

THEY ARE GOING OUT TONIGHT. *(We presume that the lady is referring to her husband and the prostitute with whom he has been entrapped by the group of immoral shayaateen – The Majlis).*

These are the men who have everyone from Joburg and Durban on facebook. They pretend to have a nikah group but this is what they do. They are men who excel in prostitution. My husband is on this group of filth. Look at the filth in which he is now mired! His home has broken up. I want my talak. I cannot live with such a filthy, treacherous devil.

They must be stopped. They are breaking up our marriages. One day they post hadith and the next day its filth. They all meet up and go out for dinner. They exchange filthy photos all the

time. Girls sent pictures to my husband. Some of these filthy rascals are 50 and 60 year old men, all pretending to be holy men helping the community.

The administrator is Mehmood Hansa. He asks all the women for their photos and talks about sex all the time, his groups are:

People who conduct themselves in this disgraceful, filthy and satanic manner cannot be Muslim at heart. A Muslim sins in a moment of weakness when his intelligence has been momentarily disarrayed by *nafsaani* lust. However, he quickly recovers, is remorseful and hastens to Allah Ta'ala imploring forgiveness. A Muslim does not pre-plan sin, evil, villainy and the like.

Men who conduct themselves as the Sister has explained, are sexual perverts, and whilst they may have been born in Muslim homes are in reality kuffaar. Technically their Imaan hangs on a thread, but in reality, their Imaan is extinguished by their wanton, flagrant acts of immorality of the worst kind. Men of this type will suffer and perish with the worst of diseases which will be a facet of mild punishment. The major punishment will be in the Akhirat. Allah Ta'ala says in the Qur'aan Majeed:

“Most certainly, We shall give them to taste of the lighter punishment, not the greater punishment, for perhaps they will return (to the Path of Rectitude).”

If any of these 'DUGOUT' characters do have a flicker of Imaan in their hearts, they should sit up and take cognizance of their villainy and hidden kufr. They must understand the enormity and notoriety of their misdeeds of sexual perversion and immorality of the worst kind. While these old louts have their legs hanging in the grave, they are impervious of death stalking them. Old *zaanis* (*adulterers*) are the most abhorrent to Allah Ta'ala. Rasulullah (Sallallahu alayhi wasallam) said that among the most hated people to Allah Ta'ala is *“an old man who commits zina”*.

Further, stating the evil of morally filthy old men, Rasulullah (Sallallahu alayhi wasallam) said:

“The worst of your old men are those who emulate your young men.”

It should be added, that the women who are involved with this haraam shaitaani group of men, are not innocent. They are lewd and have the attitudes of prostitutes. In fact they are prostitutes, hence they prostitute themselves so filthily to a group of shayaateen.

When zina becomes rampant in a community, disease and other forms of Allah's *athaab* will afflict it.
