ALL HARAAM ZINA AGENTS OF IBLEES

The following is a letter of a Brother who was ensnared by one of these ZINA AGENTS OF Shaitaan. It is self-explanatory, and salubrious advice for those who contemplate zina via one of these shaitaani zina entities.

As you all know I have taken a second wife and I make it known to the communities and to people close to me.

I feel that it's just right to inform MY BROTHERS that I know longer have a second wife.

With no doubt I had good intention when I married but Allah alone knows Because Allah is the best of all planners .

Some ADVICE TO ALL those Brothers that are going to look for partners and those that are going to look for second wives.

GET REFERENCES about the women you are getting married to and visa versa.

Discuss detail about each others past.

FACEBOOK AND GROUPS ON FACEBOOK NO GO. It's a sickness.

NIKKAH THE HEAVENLY BOND

THEY ARE ALL LINK and run by different admin.

What I have seen on these groups it's basically An Islamic swingers group. Flirting of Muslim men and women if they don't match up with the one they move along to the next one. It have broken up many homes. I have sent a message to one of the groups and the admin have phoned me and I have told him details of what these group are creating.

In this message I warned him of the Azaab off Allah's anger not knowing he was in a very critical condition.

THIS WAS HIS CONDITION from his chat with me

MY STORY

I MET PRINCESS RAEESAH HUMAN in June 2016. didn't waste anytime wanted to do it the right way married 18 august 2016. She excepted to be a second wife. Month or 2 later the trouble started she wanted to be first best and lots of time and other issues. And I didn't except . (I am married 21 years and have 3 sons and 2 beautiful daughters with my first wife.)

Then all the past stories came out which I didn't know and I was not told by RAEESAH. RAEESAH KNOWS EVERYTHING ABOUT ME AND KNOWS ALL MY PAST AND PRESENT. I keep no secrets from her, WHY because I believe in every relationship / Marriage NO SECRETS.

SO when people wants to make fitna and come between the couple at least the partners knows everything about their PAST. I almost gave her everything But ALLAH SHUKR I wasn't deaf dumb or blind. I didn't even KNOW OUR MARRIAGE WAS A secret ON THIS GROUPS till today. I TOLD EVERYONE I WAS married To RAEESAH. I NEVER KEPT IT A SECRET.

I never suspected or doubted RAEESAH I TRUSTED HER 200 PERCENT. Today screen shots were sent to me and information because I asked a friend. TODAY I DIVORCE HER For many reasons .

THE ONLY REASON I AM DOING THIS IS to REMIND AND TEACH and to share my experiences to THE BROTHERS THAT TAKE SECOND WIFE'S PLEASE BE CAREFULLY PLEASE . I MAKE SHUKR TO ALLAH THAT I DID NOT DIVORCE MY FIRST WIFE AND SHE NEVER LEFT ME. SHUKR

LIVE WITH THE DEVIL YOU KNOW THAN THE DEVIL YOU DON'T KNOW . TO MR MEHMOOD HANSA PLEASE PLEASE GET ADVICE FROM ULEMA and if I was you take MOULANA A.S DESAI ADVICE before ALLAH AZZAAB COMES MY BROTHER.

ONLY MY 5 CENTS PIECES OF ADVICE. I'M ALSO A WEAK MUSLIM AND LEARNING AS I GO IN LIFE. TO RAEESAH word of advice the Next time you get married, PLEASE BE HONEST WITH THE MAN YOU ARE MARRYING PLEASE. TELL HIM EVERYTHING AND I MEAN EVERYTHING ABOUT YOUR PAST. DON'T TRY AND MAKE HIM jealous with your beauty. AND BE LOYAL AND SINCERE PLEASE .

BEAUTY WITH NO BRAINS THAT'S NOT GOING TO WORK. MARRIAGE is way more about

beauty. And PLEASE DON'T KEEP YOUR MARRIAGE A SECRET.

FROM, CONCERNED BROTHER

(End of letter)

Amongst the numerous *fitan* (plural of *fitnah*) which are the prelude to Qiyaamah, and which are appearing in quick succession, is the internet zina services camouflaged and adorned with deceptive names. These juhala mureeds of Iblees display their abject jahaalat with their inability to pronounce even the word

Nikah

which they spell 'nikkah'.

They utilize even Ahaadith and perhaps Qur'aanic verses to conceal their satanic zina agenda. It is haraam to search for marital partners via these evil appendages of Iblees. They cause havoc and break up homes, and this is their speciality which is a necessary consequence of the zina ideology they disseminate via the internet. Beware of falling into the trap of these wolves in sheep's skin. They begin with zina and they end with zina. Zina is their ideology. Every minute squandered with these entities is *mal-oon*. The Curse and Wrath of Allah Azza Wa Jal settle on these agents of Iblees. Save your home, your akhlaaq and your Imaan by avoiding these shayaateen just as you would avoid fire and faeces.
