The organizers of a night of immorality – of fisq and fujoor – have descended and degenerated into new dregs of evil by camouflaging their fisq and fujoor with some Deeni activities. The transparent and flimsy ‘deeni’ facade with which the night of immorality is cloaked does not fool thinking Muslims who have a healthy understanding of Islam and its sacred ideology.

The fussaag organizers utilizing the sacred premises of a Masjid, viz., *Northcliff Masjid*, for their haraam merrymaking function which they dub:

“Boys night out”,

are actually promoting activities of fisq. The very epithet,

“Boys night out”,

portrays the zina thinking and zina emotions of the organizers. This designation has zina connotations, and has been adopted from immoral kuffaar who dub their nights of wining, dining, swining, dancing and fornication with such captions which everyone understands convey the idea of immorality and vice.

Among the acts of fisq and fujoor, the villains and miscreants who are responsible for organizing this shaitaani event, is: *“FRIDAY NIGHT: 10 PIN BOWLING AT NORTHCLIFF BOWLING ALLEY”*.

Not only the fisq and fujoor, but the very kufr of these miserable organizers of the haraam immoral event, is portrayed in the haraam kuffaar bowling activity which is planned for the night time which is a Mubaarak time when Allah Ta’ala descends to the fourth Heaven and calls on His servants to supplicate to Him seeking forgiveness and their needs. During the blessed moments of the night, the vile organizers will be involving stupid boys in fisq and fujoor.

Rasulullah (Sallallahu alayhi wasallam) forbade even worldly conversation after Isha Salaat. Allah Ta’ala has created the night for rest and Ibaadat, not for nafsani enjoyment. The sin is

aggravated by its commission during the night time and with the deception of dubbing the occasion a 'deeni' function. It is a pure shaitaani event. This is the way shaitaan operates. By degrees he entangles people in his web of satanism. He presents deeni hues and deeni acts to entice ignoramus into his snare, and he makes the best use of his agents to organize such deceptive 'deeni' events to ensnare Muslims and to corrupt their Imaan and destroy their morality.

The haraam immoral merrymaking shaitaaniyat is advertised by the agents of Iblees as an "OVERNIGHT YOUTH PROGRAMME".

Undoubtedly, it is an overnight programme of shaitaaniyat in which the nafs will find expression and gratification for its base desires. Among the acts of shaitaaniyat is:

"Late night refreshments."

Such "late night refreshments" are items on the programmes of kuffaar entertainment activities which consist of late night wining, dining, swining, dancing and fornication. Such late night gluttony is not part of Islamic culture. It is an act of shaitaan.

Warning us to beware of cultivating kuffaar attitudes, the Qur'aan Majeed says:

"The life of this world is but play and amusement whilst the abode of the Aakhirat is best for those who fear (Allah) What! Have you no intelligence?"

Merrymaking and gluttony are not for Muslims. The matter is aggravated when fisq and fujoor accompany the merrymaking. The sin is further aggravated when it is perpetrated in a holy time such as the night time when Allah's special *Tajalli (Divine Manifestation)* descends to the Fourth Samaa' (Heaven).

Among the Signs of the Impending Hour of Qiyaamah, according to the Hadith, are:

- 1) The pursuit of Deeni Knowledge for objectives other than the Deen.

- 2) The pursuit of the dunya with acts of the Deen.

Both these Signs of Qiyaamah are rampant and conspicuous in the present era. The vast majority of those pursuing Ilm-e-Deen, do so for ulterior motives, not for Allah's Pleasure, and not for Salvation in the Aakhirah.

Deeni acts are presented as a front for worldly objectives. In the name of the Deen, fisq, fujoor and even kufr is promoted and pursued. Almost all public 'deeni' functions and jalsahs of this age are among the Signs of Qiyaamah. Just imagine, a night of fisq and fujoor bearing a zina-coated epithet organized to gratify the nafs, and to pursue other despicable worldly objectives in the name of the Deen!!!

Parents and youngsters who have any understanding of the demands of the Deen should not in any way whatsoever support this satanic haraam function being organized by the agents of
