A SHAITAANI FUNCTION OF ZAAANIS AND ZAANIYAHS

Regarding the immoral gathering of *zaanis* and *zaaniyahs* taking place this weekend, viz., the haraam, lewd so-called ‘marriage conference’, many Muslims are aghast that even some ulama will be participating in the function which every straight-thinking Muslim layman readily understands is in diametric contravention of the Shariah in every aspect. Not a single feature of this abominable satanic, function of abomination has any relationship with Islam. It is a gathering of *fussaaq* and *fujjaar*, convened by the agents of Iblees in the name of Islam.

Clearly, this haraam immoral meeting of *fussaaq* and *fujjaar* is another step in the fulfilment of Rasulullah’s prediction pertaining to the Signs of Qiyaamah. Nabi-e-Kareem (Sallallahu alayhi wasallam) said that among the Signs of Qiyaamah is:

“The (objectives) of the dunya (and the nafs) will be pursued with deeds of the Akhirah.”

Evil and satanic activities will be portrayed by the agents of Iblees as ‘deeni’ acts. The ignorant ones will be ensnared in this manner to give vent to their bestial lusts – lusts for which this haraam so-called ‘marriage conference’ will be promoting and catering.

We reproduce here an in depth questionnaire by a Brother. The questionnaire adequately exposes the immorality and satanism of this lewd conference of Iblees.

THE BROTHER’S QUESTIONS AND COMMENTS

This weekend we see another event been hosted in the name of Islam. Those who are concerned about protecting our pure and pristine Deen, we seek clarity from the leaders and Ulema on a number of fronts:

1* Is there separate seating arrangements for men and women or is there no segregation ? *(Hijaab is not compatible with a function of Iblees. Every aspect of Islamic hayaa—modesty and shame – every rule in the Book of Hijaab is rudely violated and trampled on by the conglomerate of fussiaaq and fujjaar –The Majlis)

2* Are there going to be female speakers addressing male audience without the proper Hijaab and vice versa ? *(Stupid lecturing by faasiqaat and faajiraat is integral to this abominable conference of Iblees. –The Majlis)

3* Please elaborate on the private counselling sessions ? Does it entail cross gender one on one interaction ? *(Zina in the making. No intelligent Muslim will doubt that the prime objective of this shaitaani function is zina presented in ‘religious’ hues. –The Majlis)

4* What is *Soul Seekers* , which is been promoted as a ‘Halaal’ marriage matchmaking facilitation service ? *(It is the quest for the fulfilment of the bestial zina cravings of fussiaq and fujjaar.) –TheMajlis

Testimonials are given of people who 'met up' at soul seekers and got married ?

Please explain it in detail. *(This is the method inspired by Iblees to seekers who are in search of ways to fulfil their zina lusts. They are nafs seekers, which the shayaateen dub as ‘soul seekers’. – The Majlis*

5* What are the benefits, objectives as well as limits of the *Speakers Corner* where males and females can get 'up and personal' with the speakers ? *(Wallaah! The objective is ZINA. The benefit is haraam gratification of the inordinate craving of the bestial nafs. There is absolutely no valid and no Deeni benefit in this abominable gathering. How could there ever be any valid benefit and any noble objective in an activity which is rudely and wildly in conflict with the Shariah?) --The Majlis

***6* Can clarification please be furnished regarding the beliefs and ideologies of the following speakers**
