JAMIAT KZN IN THE BAATIL TRACKS OF THE ZINDEEQ NNB JAMIAT OF FORDSBURG

QUESTION by Abed Shah

The Jamiat is sponsoring burgers and cold drinks for sports day. Is this permissible in the Shariah? Please read the following advert of the Jamiat and comment in the light of the Shariah. Project H.E.L.P S.M JHAVARY SCHOOL

The S M Jhavary Primary School in Clare Estate recently hosted its sports day for their grade R learners. Our PROJECT H.E.L.P. relief team thought it would be an excellent idea to add some extra joy to the event.

Alhumdulillah, on Saturday 19th August 2017, the team provided over 100 fresh burgers and cool drinks to the learners, parents, and staff.

.....

For donations towards future PROJECT H.E.L.P. local outreach efforts, kindly deposit funds into: Jamiatul Ulama KZN (Lillah Projects)”

ANSWER

It is most unfortunate and lamentable that the Jamiatul Ulama Natal which was once upon a time a beacon of hidaayat for Muslims has fallen so disastrously from its former pedestal. It is today laying in tatters at the wayside of baatil, fisq and fujoor.

The kind of activities in which the Jamiat KZN nowadays indulges testify to the misdirection of this group of molvis, and to the confusion in which they dwell. They no longer understand whether they are progressing or retrogressing. Their baatil activities in the name of the Deen are designed as publicity stunts. They lick the boots of the wealthy labouring under the colossal mistaken notion of the wealthy being their sustainers capable of keeping them in the flabby 'deeni' business which they advertise for the sake of attracting donors, NOT for the Pleasure of Allah Ta'ala.

Every sensible Muslim who has some understanding of the Shariat knows that the support which the Jamiat is according to the haraam school with its haraam sports is HARAAM. It is haraam for the Jamiat to squander the community's Lillah and Sadqah funds for the immoral purposes which the Jamiat seeks to pass off as 'humanitarian' acts condoned by Islam. This term 'humanitarian' is notoriously utilized by the imbecile molvis of Jamiat KZN to lick the boots of the authorities and the wealthy donors. In so doing, Jamiat KZN has thrown in its lot with the evil, faasiq, faajir, zindeeq molvis of the NNB jamiat of Fordsburg, some of whom, like the Reverend Abraham Bham, do not believe that Allah Ta'ala is watching them and aware of their filthy shenanigans which they perpetrate in the name of Islam. They are veritable scoundrels – the NNB jamiat and these imbecile molvis of Jamiat KZN.

The Ummah will indeed be blessed if these two mudhil bodies, (the two shaitaani Jamiats), pack-up, commit suicide and disappear from the scene. They are a lot of insincere vagabonds who squander Lillah and Sadqah funds for their personal pleasure and comfort.

There are still some sincere, but silent, Ulama associated with these two evil Jamiats. It will do them well and it will be a service to the community and to the Deen, if these sincere silent Ulama withdraw from these bodies which are being directed by the agents of Iblees.

IT IS NOT PERMISSIBLE TO CONTRIBUTE TO THIS HARAAM SCHOOL-PROJECT OF JAMIAT KZN The effort is only to gain the boodle and cheap, rotten publicity on the basis of which they are thriving and surviving. Rasulullah (Sallallahu alayhi wasallam) said:

“Verily, I fear for my Ummah the Aimmah Mudhilleen.”

They are the ilk of the molvis of the NNB jamiat, Jamiat Kzn and the MJC and others of this brand. May Allah Ta'ala save the masses of the Ummah from these villains whom Shaitaan has fielded.
