

### **THE DAJJAALIYAT OF TARIQ JAMIL, HIS FUSSAQ HOSTS AND THE NNB JAMIAT**

The hosting of the Small Dajjaal, Tariq Jamil, is a sinister scheme of Iblees to further entangle the already-ruined section of the community in the plot of extinguishing Imaan.

Iblees, for the attainment of his pernicious objective has harnessed into his vile conspiracy the NNB Jamiat of Fordsburg and the wealthy Fussaaq businessmen to host and fund the Dajjaaliyat of Tariq Jamil whom a senior Mufti of Pakistan has designated, Ajhalun naas (the most ignorant of humankind).

Whilst this appellation is also appropriate for this character, it is our contention that he is infinitely worse than Ajhalun-Naas, for he in fact is either Shaitaanul ins (Human Devil) or Shaitaanul Jinn (a Jinn Devil).

It is only abominable creature of this ilk who are capable of giving expression to dajjaaliyat. A series of small Dajajals will appear, according to the hadith, to prepare the stage for the Grand Dajjaal who will make his appearance in Aakhiruz-Zamaan, the age in proximity of Qiyaamah when Imaam Mahdi (Alayhis Salaam) and hadhrat Nabi Issa (Alayhis Salaam) will appear to annihilate all vestiges of shaitaaniyat and dajjaaliyat to restore Islam to its former glory.

Part of the evidence confirming the dajjaaliyat of the despicable unholy triumvirate alliances, viz, Tariq Jamil, NNB Jamiat and the Fussaaq Host, is the Satanism perpetrated in the venues these evil characters have selected for so-called propagation of the Deen.

The one haraam venue of Fisq, Fujoor and Kufr is the Gallagher Convention Centre in Johannesburg. This Hall befits only Dajjaal and his legions. The approximate cost for hiring this shaitaani venue for a dajjaali program of an hour or two is half a million rands. It is obvious that satanic squander of wealth is an act of only Ikhwaanush Shayaateen (Brother of the Devils), and that it is haraam money which is flushed down the sewerage drain of Fisq, Fujoor and Kufr which are the essential components of dajjaaliyat. Mentioning these Bothers of the Devils, the Qur'aan states: "Verily the squanderers are the brothers of the Devils" This Haraam, illegitimate triumvirate of Dajjaal, despite professing to be Muslim, is scandalously unconcerned and impervious of the heart-rending suffering and misery of millions of Syrian, Rohingya and other Muslim refugees who have been uprooted from their homes and lands and are struggling today for food and essential basic clothes to protect against the extreme weather conditions.

But hearts of stone displayed by the satanic triumvirate and the unfortunate audience trapped into the dajjaaliyat of the unholy agents of Iblees, are incapable of comprehending the pitiful plight of the suffering Ummah.

The ± R 500 000 is not the total cost of the Tariq Dajjaal's programme. The cost is substantially higher with the cost of hiring the Hindu Orient Hall in Durban, the airfares, the living expenses and ofcourse the tens of thousands of rands of bribe (the bakhshish) which will be slipped into the pocket of the Dajjaal for having superbly acquitted his dajjaaliyat which the vile appendage of shaitaan (viz. Radio Shaitaan) will be broadcasting in furtherance of the wicked plot of Iblees. While, in terms of the Hadith, the tide of incremental dajjaaliyat and shaitaaniyat cannot be stemmed since these are events which herald the approach of Qiyaamah, it remains the waajib obligation of the Ulama-e-Haqq to proclaim the Haqq.

It is not permissible for the Ulama to seek refuge in impregnable fortresses of silence.

Such silent Ulama, according to Rasulullah (Sallallahu Alayhi Wasallam) are "Dumb Devils" for by their silence they are in fact actively aiding and abetting dajjaaliyat. In the promotion of Tariq Jamil's dajjaaliyat, the Raiwind Faction of the Tabligh Jamaat (the Aalam-e-Shurah Group) is complicit. They owe the Ummah an explanation for their complicity and alliance with the small Dajjaal. Insha'Allah, this subject will be dilated in a future article.
