

THE ULAMA-E-SOO'

By Imaam Abu Haamid Ghazaali

Presenting a character sketch of the evil scholars for dollars and the lovers of name and fame (the ulama-e-soo'), Imaam Ghazaali (Rahmatullah alayh) states in his Kitaab, *Faslut Tafraqah Baines Islam waz Zandaqah*:

“Know that the reality of kufr and Imaan, and their definition, Haqq (the Truth of Islam) and Dhalaal (Deviation) and their natures do not become conspicuous for hearts filthied by hankering after fame and wealth and their love. But, these realities are revealed to the hearts firstly purified of the pollution of the filth of the world, then polished with perfect spirituality, then brightened with pure Thikr, then nourished with valid contemplation, then beautified with the limits of the Shariah so that they (the purified hearts) are permeated with the Noor (celestial and spiritual radiance) emanating from the Niche of Nubuwwat. Thus, they (these purified hearts) become like glittering mirrors. They become the lanterns of Imaan radiating *anwaar*.

How is it possible for the spiritual mysteries to unravel for people (ulama-e-soo') whose vain desires have deflected them (from the Haqq); whose god is their rulers (sultans, kings and the like); whose qiblah is gold and silver; whose shariah is their evil flippancy; whose thikr is their evil devilish ideas (shaitaani wasaawis); whose treasure is their (nafsaani) vermin, and whose contemplation is the fabrication of schemes which their villainy demands.

How is it possible for these (vermin) to differentiate between the darkness of kufr and the glitter of Imaan? Their hearts have not been purified from the contaminations of the world. Their capital in knowledge is the rules of najaasat and the like.” (*End of Imaam Ghazaali's characterization of the ulama-e-soo'*)

In fact these juhala-e-soo' of our era are ignorant of even the masaa-il of Istinja. While the Ummah is ablaze and burning with fisq, fujoor, bid'ah and kufr, and groveling in squalor, extreme poverty and ignorance, these vile vermin molvis and sheikhs, indulge in merrymaking functions of futility, singing, devouring carrion, gluttony and excreting the effluvium of their gluttony.

Amid the heart-rending suffering of the decadent Ummah, these evil molvies and sheikhs squander millions of dollars of the Ummah's trust funds in *baatil* accords, conferences and symposiums bootlicking the rulers and mutilating the Deen to appease the oppressive regimes and kings who bestow stupid accolades and financial perks to the vermin truckling at their feet. They satanically squander the trust funds jetting around the globe, enjoying themselves in 5 star hotels and in other nafsaani indulgences whilst their hearts incrementally become harder by the day. They are bereft of any pity and feelings of brotherhood for the suffering masses of the Ummah. That is why they are so obese. Their bodies are nourished with haraam, hence in terms of the Hadith, Jahannam has a greater claim over them.

They strike up dalliances with kuffaar and mushrikeen in the kufr interfaith shaitaani movement. They convert Musaaajid into temples. They utilize Musaaajid for entertaining the public with songs. They pollute and violate the sanctity of the Musaaajid with droves of kuffaar tourists wallowing in physical and spiritual najaasat. They stare amorously with their carnal lusts at the ill-clad kuffaar women in the Musaaajid. They join evil sporting clubs, and they organize sporting teams in the

names of Musaaqid. They teach Bukhaari Shareef and Qur'aan Tafseer in their Darul Ulooms, yet they have kuffaar sportsfield at their institutions. Their Bukhaari students run around the field like baboons in bermudas and T-shirts. Can such vermin ever become Warathatul Ambiya? They halaalize carrion, riba and alcohol. In brief, they are rotten inwards and outwards – rotten to the core, and they peddle all their rot in the name of the Deen. This is the Rot to which Rasulullah (Sallallahu alayhi wasallam) referred:

“Soon shall there dawn an age when nothing of Islam will remain except its name. Nothing of the Qur'aan will remain but its text. Their Musaaqid will be ornate structures devoid of hidaayat. Their Ulama will be the worst under the canopy of the sky. From them will percolate fitnah, and the fitnah will rebound on them (and hem them in).”

A true Shaikh commented that under the canopy of the sky there are also the Yahood, Nasaara, mushrikeen, apes and swines. From this observation, the category of the juhala-e-soo' (the evil sheikhs and molvies) will be understood.

No group of mankind has damaged the Deen and ruined the Ummah as much as the ulama-e-soo' - the likes of the sheikhs and molvies of the MJC, NNB jamiat, the Trinity of Iblees, Dajjaals such as Tariq Jameel and the rest of the vile scholars for dollars who operate Madaaris and other Deeni institutions solely for the acquisition of worldly and nafsaani objectives.

They overtly present 'deeni' goals whilst covertly they utilize the acts of the Deen for the

acquisition of worldly objections. All of them are Signs of Qiyaamah and the fulfilment of the predictions of Rasulullah (Sallallahu alayhi wasallam).
