(Shaitaanaat = Female Devils)

In the authentic Hadith it is reported: “When a woman emerges (from the sanctuary of her home), shaitaan casts surreptitious glances at her.” That is, shaitaan lies in ambush for females who leave the holy precincts of their homes and venture into the public. He utilizes them to spread fitnah – the fitnah of fisq and fujjoo (vice and immorality). In another Hadith, Rasulullah (sallallahu alayhi wasallam) said: “A woman moves forward in the form of shaitaan, and moves backwards in the form of shaitaan.” That is, shaitaan utilizes women as traps to destroy their own morals and the morals of men devoid of Taqwa, casting lascivious and lustful glances at the females.

It is also reported in the Hadith that on his way out of the heavens on the occasion of his expulsion, Shaitaan supplicated to Allah Ta’ala for traps with which to ply his industry of deviation, immorality and corruption on earth. Granting Shaitaan’s supplication, Allah Ta’ala said: “Your traps will be women.” Furthermore, Rasulullah (sallallahu alayhi wasallam) said: “I have not left behind me a greater fitnah for men than women.” The Qur’aan and the Sunnah strictly prohibit female emergence and expression. The Waajib requirement for women is concealment’, silence and modesty. The public domain is the very antitheses of all the noble and sacred attributes of moral excellence, especially haya (shame and modesty) for women of Imaan. Public life is for the immoral women of the West, not for the Daughters of Islam.

A group of female and male miscreants, masquerading as Muslims, have ‘launched’ what they have termed a union of ‘Muslim women’. The stupid haraam gathering of Iblees was attended by a handful of shaitaanaat and shayaateen who, as the agents of Iblees, are instigating the stupid, misguided women to reject what Allah Ta’ala has imposed on them in the form of Hijaab, concealment and submission to Islamic Patriarchy.

The female devils in this consortium of libertinism are in reality munaafiqeen, and so are the male devils who are in actual fact spearheading the stupid, but Islamically destructive gathering of shaitaanaat. These female shaitaans are bemoaning the patriarchal society which Allah Ta’ala has ordained for the Ummah of Islam. The Qur’aan and Sunnah confirm 100% that Islam is a patriarchal system of society in which the abode of woman is the sacred environment of home. Her place and duties are defined in the Qur’aan and Sunnah. Rasulullah (sallallahu alayhi wasallam) categorically affirmed that “woman has no share in emergence”.

Self-expression and the public domain are loathsome for the women of Islam.

Rasulullah (sallallahu alayhi wasallam) during his Mi’raaj journey saw women of the lewd type which crave for the public domain, hung up in the Fire by their breasts. This type of horrendous athaab awaits the women belonging to the women’s lib shaitaani conglomeration. Our naseehat and warning to the Women of Islam are to be on their guard and not to allow themselves to be duped by immoral female and male proponents of the libertine western culture. Understand the statements of Rasulullah (sallallahu alayhi wasallam). Reflect on the divine words, and submit to the Shariah of Allah Azza Wa Jal. Man and woman have been

created for different roles. They are cast in different moulds. If any devil –male or female– denies the conspicuously different natural roles of man and woman, then let these shaitaanaat transfer their haidh periods, their states of pregnancy and their general female appearance to their male devil cohorts. Or better, let the male devils and the female devils of Iblees's Union, adopt a uniform and an equal appearance, equal personalities, equal physique, equal intellect and equal anatomy. Only then will the followers of Iblees have validity in their claim of 'gender equality', equality of roles in the public domain, and equality in all spheres of life.

The role which Allah Ta'ala has created for women – the home-role, the role of concealment – can be negated only if the shaitaanaat of Shaitaan's Union succeed to efface all traces of Allah's natural creation of male and female attributes. The noblest attribute in Insaan is Aql (Intelligence). Even in this attribute Rasulullah (sallallahu alayhi wasallam) has clarified that women are naaqisaatul aql, i.e. they are defective of intelligence. Whilst it is expected that these female devils and the male devils spurring them on towards their ruin and eternal damnation will reject this categorical affirmation of Rasulullah (sallallahu alayhi wasallam) because they are bereft of Imaan, it is not expected of the Mu'minaat to find the slightest fault in Rasulullah's words no matter how modern they may have become as a consequence of their kuffaar western education. Those who find even a vestige of doubt or rejection for the statements of Allah Ta'ala and His Rasool (sallallahu alayhi wasallam) come within the scope of the following Qur'aanic aayat which negates their Imaan:

“Most assuredly, By your Rabb! They do not believe (i.e. they do not have Imaan) until they make you (O Muhammad!) the judge in their mutual disputes. Then they do not find any discontent in their hearts for that which you have decreed, and they fully submit.”
(An-Nisaa', aayat 65)

These male and female devils in the 'union of shaitaanaat' cherish an innate abhorrence for the patriarchy explicitly commanded in the Qur'aan and Sunnah. They loathe the sanctity of their homes despite the Qur'aan commanding them to glue themselves inside their homes. They denounce and refute the elaborate patriarchal system of Islam which is unequivocally affirmed in the Qur'aan and Sunnah. (Write for our booklet on Islam's Patriarchal Society. Two postage stamps shall be appreciated.) How can these shayaateen masquerading as 'muslims' ever be Muslims when they harbour such massive aversion for the teachings of Islam and for the rulings and decrees of Rasulullah (sallallahu alayhi wasallam)? Muslim Women! Beware of this latest snare of shaitaan who is manipulating these female devils who have been duped by the male agents of Iblees.

In the tafseer of the above mentioned Qur'aanic aayat, it is explained in Anwaarul Bayaan: “People have become so accustomed to and enamoured by the unjust legislation (and culture) of the west that they are prepared to conform to it regardless of whether they become oppressors or the oppressed in the process of blind emulation. But they are not prepared to practise Islam.

They enjoy the resultant fornication, murder and robbery which stem from Western civilization without caring to implement the laws of Islam. They say that these laws (of Islam with its patriarchal system) are barbaric. Thus they include themselves in the ranks of the kuffaar.

Indeed it is unfortunate that many so-called Muslims are averse to Islamic laws (ways, customs and tenets). They should truly evaluate their Imaan, since the aayat not only stipulates as a requisite of Imaan that disputes be brought before Rasulallah (sallallahu alayhi wasallam), but adds that these (laws) also be accepted wholeheartedly.”

The abhorrence which these misguided women entertain in their hearts for Islam’s patriarchal system is the clearest evidence of their kufr – such kufr which eradicate Imaan in entirety. Thus, any Muslim woman who joins the libertine Union of Shaitaanaat, does so at the peril of the destruction of her Imaan.

Rasulallah (sallallahu alayhi wasallam) stated unambiguously: “Never ever will prosper a people who entrusts their affairs to a woman.” Women in the forefront – women in the driving seat – women prowling in the streets – women mingling with men in the public domain are among the Signs of the Approaching Hour of Qiyaamah. Commanding the backstage and the hidden cloisters of the home for women, Rasulallah (sallallahu alayhi wasallam) said: “Relegate them (women) to the back just as Allah has relegated them to the back.” Only women who incline to zina are insanely desirous to project themselves into the public domain. “(O Women!) Remain firmly glued in your homes.....” – Qur’aan

These evil shayaateen and shaitaanaat clamouring for public expression and projection in the public domain are all unchaste, and the Qur’aan Majeed describes them as khabeethaat and khabeethoon. They are devils of the feather, hence the Qur’aan states about these male and female devils who conspire to destroy the Deen: “Khabeethaat (unchaste/filthy women) are for khabeethoon (filthy/unchaste males).- An-Nur, aayat 26

In fact they are like the shayaateen who occupy the toilets, hence before entering toilets and similar places where the khabeethaat and khabeethoon dwell and romp, we are instructed in the Hadith to recite the dua, the translation of which is: “In the Name of Allah, verily I seek Your protection from the evil male and evil female devils (who inhabit this place).” May Allah Ta’ala save the Ummah from the conglomerate of male and female devils.
