

### THE VILE AZAADVILLE QAARI CIRCUS – A KUFR MOCKERY OF THE QUR’AAN

A Haafiz of the Qur’aan from Azaadville writes:

Assalamualaikum

I am a resident of Azaadville and have participated in the qiraat jalsahs before. It's shocking to say the least that this masquerading Iblisi outfit i.e. NNB jamiat ‘huffaaz’ (who in the past did good work to get the dhor of the huffaaz right), is having an open air "qiraat jalsah" a.k.a Mockery of the Qur’aan.

Many fussaqa qaris, some who appear on video will be there to show off by this vile merry-making cult. I (May Allah forgive me) due to jahil, had also been to this mockery session or takabbur session. They merry-make as late as eleven o'clock at night. The proof for this bogus qiraat jalsah being an act of fisq is that most of these morons faasiqs are not seen for Fajr next morning.

So, the love of the Qur’aan according to them is disobedience to Allah and his Rasool (Sallallahu alayhi wasallam).

They parade with deception, calling themselves ‘ahlul qur’aan’, but fail to implement the teachings of the Qur’aan. They are nothing but lovers of sweet voices. *(In fact they are the immoral slaves of their carnal lusts using and misusing the Qur’aan Majeed for the gratification of their riya lusts – The Majlis)*

To read Qur’aan in a beautiful voice is rewarding but on condition it is to please Allah Azza wa Jal, and not to entertain people and for merrymaking.

(Upon us is only to convey the clear message).

I found this hadeeth about those fussaḡ:

Abdullah ibn Amr reported: I heard the Messenger of Allah, peace and blessings be upon him, say, “**Verily, the majority of hypocrites in my nation are among its reciters.**” Source: Musnad Ahmad 27909

May Allah protect us and grant us Allah-fearing Ulema.
