THE HARAAM, SHAITAANI

‘NATIONAL MOSQUE OPEN DAY’

A Zindeeq modernist entity called SAMNET is organizing a shaitaani function which it dubs, ‘*national mosque open day*’.

It is clear from the contents of their haraam invitation to the haraam event that the ‘open day’ is for non-Muslims to come and defile the sanctity of the Musaaqid with their physical and spiritual *najaasat*.

This miserable entity states in its stupid haraam invitation: “*The national mosque open day campaign encourages mosques to open their doors to the public simultaneously on Heritage Day.*”

The Musaaqid are open 365 days of the year for Muslims. The ‘public’ mentioned by the SAMNET Zindeeqs refers to non-Muslims. It is haraam to open the Musaaqid to non-Muslims and to even Muslims who are in the state of *janaabat*. The *janaabat*

of non-Muslims is of an aggravated nature. Added to their physical *janaabat* is their spiritual *janaabat of kufr*.

Islam does not recognize the kuffar day called ‘heritage day’. There is no such day in Islam. Celebrating this day is an act of fisq and fujoor. These zindeeqs are out to bootlick non-Muslims. They believe that the safety of Muslims is in the hands of non-Muslims. They are totally bereft of the understanding of Allah’s protection. When Allah Azza Wa Jal decrees punishment for Muslims because of their gross villainy and treachery, then no one and no act and no amount of bootlicking can thwart and ward off Allah’s *Athaab*. The Qur’aan Majeed says:

“*And, if Allah withholds (His aid) from you, then who is there besides Him to help you?*”

Muslims, for their safety, are not in need of a 'better understanding' by non-Muslims. We are indeed of Allah's aid, and His *Nusrat* will be forthcoming only by means of our total submission and obedience to His Shariah. Rasulullah (Sallallahu alayhi wasallam) said:

"That which is by Allah is obtainable only by means of obeying Him."

Nusrat (Divine Aid) and Aman (Peace and Safety) are bounties of Allah Ta'ala, and these are available only by means of *Taa-at* *(Obedience).* The Favours of Allah Ta'ala are not available by means of bootlicking and indulgence in haraam by gross and flagrant violation of Allah's Shariah as these Zindeeqs of SAMNET are perpetrating.

These unfortunate characters have no proper idea of a Musjid and its objectives. Regardless of whatever benefits are hallucinated for inviting non-Muslims to the Musajjid, it remains Haraam. Islam can never be propagated by means of haraam and disobedience to Allah Ta'ala.

Every jaahil knows that it is haraam for a *junubi* and a *haaidh* to enter the Musjid. When even Muslims in this state are not allowed inside the Musjid, then by what stretch of Imaani logic can it ever be permissible for non-Muslims wallowing in double *janaabat (physical and spiritual)* to enter and pollute the sanctity of the Musjid? Prohibiting such persons from the Musajjid, Rasulullah (Sallallahu alayhi wasallam) said:

"CLOSE THE DOORS (OF THE MUSJID), FOR VERILY, I DO NOT MAKE IT (THE MUSJID) HALAAL FOR A JUNIBI NOR FOR A HAAIDH."

But in rejection of Rasulullah's command, these Zanaadaqah say: 'Open the Musaaqid for the *ju nubis* and *haaidhaat*.

IT IS HARAAM TO PERMIT NON-MUSLIMS ENTRY INTO THE MUSAAJID.
