#### ***SEWERAGE OF ANONYMITY***

Some filthy, cowardly, spineless rats relishing in the filthy sewerage drains of anonymity have issued a scurrilous and slanderous e-mail pamphlet against Mufti A.K.Hoosen. The correct response for filth is silence. However, we depart from our normal rule of silence and issue this clarification in view of the fact that these spineless, modernist, rats who indulge in carrion halaalizing and all the haraam acts of fisq and fujoor, and whose true identities are not shrouded in mystery, are attempting to create the slanderous impression that The Majlis has engineered the filthy buhtaan against Mufti A.K.Hoosen. Several brothers have requested us to issue a clarification.

Alhamdulillah, it is Allah's fadhil and karam that The Majlis, this Voice of Islam and the Voice of Haqq proclaims the Haqq from the rooftops. Every Muslim who is aware of The Majlis, even if he differs vigorously with us will understand, if he has any affinity with the Truth, that The Majlis brims over with Haqq. Haqq glitters from every page and every word of The Majlis. Glitter and Radiance are integral attributes of The Haqq. There is no ambiguity, no cowardice, no anonymity in whatever we proclaim. In submission to Rasulullah's command, "Proclaim the Haqq even though it be bitter", The Majlis states the Truth of Islam regardless of who gets hurt or annoyed in the process.

All those who have read The Majlis are aware that we have differences with Mufti A.K.Hoosen regarding certain masaa-il of the Shariah. But differences, there will always be among the Ulama. And, when we say 'differences', the meaning is 'differences' which are valid and based on Shar'i principles. We are not referring to differences such as the differences we have with the NNB's Radio Shaitaan, with the NNB's Reverend, Pundit and Pastor, and with the kufr views of the miserable outfit called the MJC and similar other kufr modernist miscreants.

Mufti A.K.Hoosen has become increasingly vocal in proclaiming the Haqq. This is the cause for the umbrage of the spineless shayaateen who are responsible for the cowardly and filthy attack against Mufti A.K.Hoosen.

**the end, and dissociates from it. It is our fervent dua that Mufti A.K.Hoosen will incrementally and more vigorously proclaim the Haqq in this sea of Baatil, Kufr, Fisq, Fujoor and Bid'ah in which the Muslim community is floundering and sinking to its destruction.**

Our advice to Mufti A.K.Hoosen is that he should not respond to the scurrilous rubbish which the spineless rats have written. When a slandered Muslim responds with silence, then Allah Azza Wa Jal, takes up his defence. We assure these rats that Allah will **BREAK THEIR NECKS.** □

**THE FITNAH RATS** are using the e-mail samuslims@gmail.com to circulate their slander and filth. The genuine e-mail medium which circulates articles of The Majlis is samuslims@samuslims.co.za

To mislead, deceive and confuse readers, the **FITNAH RATS** have forged a similar e-mail. Therefore, readers should check the e-mail from which articles emanate. May Allah Ta'ala save us all from the fitnah and the sharr (evil) of spineless Rats who are the agents of Iblees.
