BRUTALITY AND TORTURE IN THE LAND OF THE COW-WORSHIPPERS

A SISTER'S CRY!!!

From India, the land of cow-worshippers and cow-urine drinkers, A Muslim Sister, writes:

“This is a message from your Muslim sister from India. You must be well aware of our situation in India. The Government of India has recently passed a law called the Citizenship Amendment Act 2019 that seeks to provide citizenship to Hindus, Christians, Sikhs, Parsis, Jains – who have fled religious persecution in Pakistan, Afghanistan and Bangladesh. The Act clearly exclude Muslims.

The step 2 – is to conduct a pan India NRC (National Register of Citizens), that would require all the current citizens to prove their citizenship through documents of residence of their ancestors. Whoever fails to provide the documents, will be declared an illegal citizen, hence stateless and sent to detention camps. While many Muslims and Non-Muslims will not be able to prove their citizenship due to being poor, illiterate and many other reasons, the Non-Muslims receive citizenship – through the CAA 2019. Muslims who fail to do that will be rendered stateless and sent to detention camps.

We’re trying our best to save our existence in this country, save the religion in this country and uphold the Indian constitution but every single state run institution has turned against us. The police on the orders of the Home Minister, Amit Shah, has shown immense brutality to Muslim protestors and even non-protesting students. They beat Muslim students mercilessly. Throw tear gas shells, stun grenades that have resulted in Muslim students getting blind, hands amputated, legs smashed and moreover the Delhi

police sexually assaulted students in bathrooms when they raided Jamia Millia Islamia university, a central university in Delhi.

They're targeting Muslim neighbourhoods and beating Muslims with iron rods on heads and detaining people without crime. They have already shut down internet in Assam, UP and for sometime in Delhi too.

In UP, Muslim boys as young as 8 and 10 are being killed and kidnapped. Many houses in Lucknow have been looted by police under the watch of UP CM, Yogi Adityanath.

We're going through terrible times. We need the ummah to stand for us. This is a request to Muslims outside India to conduct mass protests in your Cities to Indian Counsel. Spread the word about the oppression through Masjids, make dua for us. We have no courts to provide justice, no police to protect. Just Allah. And He is a sufficient protector and guardian.

Please speak up, we may end up in detention camps or killed. We're counting on you. Allah protect you all, wherever you may be. Always making dua for Muslims around the world. (End of the Sister's cry and lament)

COMMENT

The heart-rending plight of Muslims in India devastates the hearts of all true Muslims with grief. This devastation is increased by our helplessness and our inability to offer the necessary aid to the brutalized Muslims, not only in India, but in many other countries. Rasulullah (Sallallahu alayhi wasallam) said:

“Muslims are like a single man. When the eye pains, the whole body is affected, and when the head pains, the whole body is affected.”

In the circumstances we find ourselves, all over the world, with Allah Ta’ala withholding His *Nusrat*

and punishing us with kuffaar domination, the only option is Dua. Whilst true Muslims do make Dua for the suffering Muslims in India and elsewhere, it is clear that our supplications are not heeded by Allah Ta’ala. Rasulullah (Sallallahu alayhi wasallam) said:

“I take oath by That Being in Whose power is my life! You better command righteousness and prohibit evil (i.e. practise Amr Bil Ma’roof Nahyi Anil Munkar) or Allah will most certainly afflict you with punishment from His Side.”

Explaining this Hadith, Mulla Ali Qaari states in *Mirqaatul Mafaateeh*:

“By Allah! One of two things will happen. Either you practice Amr (bil Ma’roof and Nahy Anil Munkar), or Athaab upon you will descend from your Rabb. Then Duas for salvation (from the

punishment) will not be accepted.”

Hadhrat Abu Hurairah (Radhiyallahu anhu) narrated that Rasulullah (Sallallahu alayhi wasallam) said:

“Most certainly you should command virtue and prohibit evil, or (if you fail in this obligation) Allah will appoint over you your worst (scoundrels). Then your pious ones will make dua (to be saved from the brutality and oppression), but their duas will not be accepted.”

In another Hadith, Rasulullah (Sallallahu alayhi wasallam) said:

“Most certainly, you should command virtue and prohibit evil. (If you fail) then Allah will appoint over you the worst of you (to rule over you). Then they will inflict terrible punishment on you. Then your pious people will make dua, but their duas will not be accepted.”

The disaster which has befallen Muslims in India, and elsewhere, should be viewed and examined in the light of the Qur’aan and Ahaadith. However, the drift of the Ummah far from Islam has overshadowed this reality, hence the suffering Muslims are looking elsewhere and clutching at straws in sheer desperation and panic. Neither is the disease afflicting the Ummah understood nor are the remedies prescribed by self-styled reformers efficacious. The mind is furthest away from the Qur’aan and the Ahaadith. In fact, despite the deluge of punishment, Muslims remain blind.

In the Qur'aan Majeed, Allah Ta'ala says: *"We shall surely give them to taste of the lesser punishment, not the greater punishment, for perhaps they may return (to the Path of Rectitude –the Deen)."*

The brutality which the savage cow-worshippers are displaying is part of Allah's 'greater punishment'. Muslims have not heeded the little punishment which they experienced at the hands of the mushrik Hindus over the course of decades. Muslims continued their downward slide into the dregs of fisq, fujoor and kufr, hence Allah's 'greater punishment' is now apprehending them.

Muslims are required to reflect on the aforementioned Ahaadith and to understand that the current brutality of the Hindus is the consequence of Muslim abandonment of Islam. It is essential to understand that Allah Ta'ala is in control of every atom in creation. Nothing can move or happen without His command. The Qur'aan Majeed says: *"Not a leaf drops (from a tree) but Allah is aware."*

Every leaf drops and dies by the direct intervention and command of Allah Azza Wa Jal.

Ev

Thus, it is kufr to understand or to believe that these mushrik, filthy cow-worshippers and cow-urine-drinkers have the power to brutalize Muslims as they are doing currently. Whatever is transpiring at the hands of these stinking specimens of vermin is Allah's decree. The Qur'aan states: *"No one knows the armies of Allah except He."* Even the kuffaar are part of Allah's armies.

No one besides Allah Ta'ala can help Muslims in the plight they are suffering in India. Duas are not being accepted. Our speaking up will not save Muslims from the detention and torture camps which the Hindu devils are planning for Muslims. Only Allah Ta'ala can save the Muslims from the filthy clutches and brutality of the Hindu savages. But, Rasulullah (Sallallahu alayhi wasallam) said: *"Whatever is by Allah is obtainable only by way of obedience."* Despite the

mountains of misery descending on Muslims, we remain blind and impervious to the Call of Allah Ta'ala and His Rasool (Sallallahu alayhi wasallam). Our disobedience is incremental by the day. The Sunnah has been extinguished and expunged from our daily life. Muslims follow and emulate insanely the Yahood and Nasaara. Fisq, fujoor and kufr have become the culture of Muslims. How can this Ummah now expect Allah's *Nusrat*?

The fundamental point to understand is that Allah Ta'ala Who is in control of His entire creation is withholding His aid and allowing us to be brutalized. In His Qur'aan Majeed, Allah Ta'ala says:

"If Allah helps you, no one can defeat you, and if He abandons you, then who is there besides Him who can help you? And, on Allah should the Mu'minoon have tawakkul (trust)." (Aal Imraan, Aayat 160)

Muslims lack in entirety in Tawakkul. There is no one and no place to seek refuge. This is a glaring fact which is hidden from only such morons on whom Allah's Curse has settled. There are over a billion Muslims on earth; about 60 so-called independent Muslim states. All have armies, navies and airforces. Some are nuclear powers. Some drown in wealth. Yet, none of these so-called Muslim states lets out even a murmur of protest for the suffering and brutalized Muslims of India. On the contrary, the kuffaar Arab regimes in the Gulf States and Saudi Arabia are honouring the Hindu scoundrels, heaping accolades on them, granting them money and land to construct temples for idol worship while these very same *najis* cow-worshippers are destroying Musaaqid in India and brutalizing Muslims.

In her futile lament the Sister cries:

“We’re going through terrible times. We need the ummah to stand for us. This is a request to Muslims outside India to conduct mass protests in your Cities to Indian Counsel. Spread the word about the oppression through Masjid.”

The Ummah is impotent, in fact treacherous. Prosperous Muslims in their thousands squander millions of dollars in umrah holidays, haraam weddings, etc. whilst Muslims are suffering kuffaar brutality. But this ummah has turned its back on suffering Muslims. Allah Ta’ala is inflicting His *Athaab* on this ummah segment by segment. The Paslestians, the Kashmiris, the Arakanese, the Sri Lankans, the Syrians and others, are all overwhelmed by the *Athaab*. More communities will follow this trajectory of Divine Punishment.

Forget about the Ummah standing with you. ‘Mass protests’ are kuffaar stunts which prove of no benefit. Allah’s *Athaab* cannot be thwarted and eliminated by mass protests. Just look at the brutality which followed in the wake of Muslim protests in India. Everyone is aware of the brutality and oppression. But no one can provide help. Allah Ta’ala has abandon Muslims because of our own treachery.

The Sister’s cries come within the scope of the Qur’aanic Aayat:

“If Allah helps you, no one can defeat you, and if He abandons you, then who is there besides Him who can help you? And, on Allah should the Mu’minoan have tawakkul (trust).” (Aal Imraan, Aayat 160)

“Say (O Muhammad!) ‘Who has power over all things if He intends to destroy the Maseeh Son of Maryam, his mother and all on earth? Unto Allah Alone belongs the dominion of the heavens, the earth and everything between them. He creates whatever He wills. And Allah has power over all things.’” (Al-Maaidah, Aayat 17)

It is most unbecoming of Mu’mineen to focus the gaze askance on others, especially on kuffaar and to believe that protests will be able to save them from the calamities which Allah Ta’ala has decreed. With their Imaan dangling on a thread, Muslims are pleading to other kuffaar for assistance against the Hindu kuffaar. For them the Qur’aan states:

“What! Are they searching for the law of jaahiliyyah. Whose Law is more beautiful than the Law of Allah for people who have yaqeen?” (Al-Maaidah, Aayat 50)

Help is only from Allah Ta’ala. Only He can protect us. *“And Allah protects you against the people.” (Al-Maaidah, Aayat 67)* It is as clear as daylight that Allah Ta’ala has lifted His protection from Muslims, hence the suffering at the hands of the mushrikeen and kuffaar.

“There is no help except from Allah. Verily, Allah is Powerful and Wise.”

When this is or should be the belief of Muslims, what is the meaning of looking at others and licking their boots? The reality is that Muslims no longer believe in the Qur'aan. The Qur'aan has become antique for Muslims. Understanding the reality of the Qur'aan and of all events transpiring, will be possible only if Muslims change the rot in their hearts and return to Islam. Allah Ta'ala says in this regard:

"... Verily, Allah will not change the condition of people as long as they do not change what is within them."

The treachery and villainy have to be eliminated. Only then will come Allah's *Nusrat*.

If Muslims return to Allah Ta'ala by means of moral reformation and total submission to the Shariah and Sunnah, Allah Ta'ala will turn the tables over night. The current situation demands only Sabr, Dua, Islaah of the Nafs and Taa-at (Obedience). Only then will Allah Ta'ala remove His *Athaab* and grant us the domination of the world which He promises in the Qur'aan to His obedient slaves.

When Bani Israaeel complained to Nabi Musa (Alayhis salaam) of the brutality of Fir'oun, he (Nabi Musa) said:

"Seek aid from Allah and have Sabr. Verily, the earth belongs to Allah. He bestows it to whomever He wills of His servants. And, the ultimate result of success is for the

Muttaqeen.....Soon will your Rabb destroy your enemy and instal you (as rulers) on earth. Then He will watch how you conduct yourselves. ﴿مُتَّقِينَ ۖ لَئِن كَانُوا مِنكُم مِّن شَائِكَةٍ لَّيَعْلَمَنَّ اللّٰهُ اُولٰٓئِكَ ۗ وَمَنْ يَّكْفُرْ بِاللّٰهِ فَقَدِ افْتَرٰٓءَ عَلٰٓى اللّٰهِ كِبْرًا مَّكۡرًا ۗ﴾
(Al'A'raaf, Aayats 128 and 129)

“Then We granted power to such people (i.e. Bani Israaeel) who were despised in the east and the west of the earth.” ﴿وَلَقَدْ اٰتٰٓنَا دَاوۡدَ سُلۡطٰنًا ۗ وَجَعَلۡنَا دَاوۡدَ وَاسۡرٰٓءٰلَآءَٓہٗٓمۡ اٰمۡنًا ۗ وَجَعَلۡنَا دَاوۡدَ سُلۡطٰنًا ۗ وَجَعَلۡنَا دَاوۡدَ سُلۡطٰنًا ۗ﴾ (Al A'raaf, Aayat 137)

While Muslims speak of the Power of Allah Ta'ala, they neither understand nor believe that Allah Ta'ala is in control and that it is He Who is allowing these kuffaar to brutalize Muslims. To gain Allah's *Nusrat* the only solution is to become *Muttaaqeen*.
