THE UMMAH WANTS THE MUSAAJID OPEN – THE MUNAAFIQEEN WANT THE MUSAAJID CLOSED

Everything in this dunya has advantages and disadvantages. Despite the overwhelming disadvantages, negativities, and hardships ensuing in the wake of the lockdown, one goodness is the exposure of the munaafiqeen in our midst. Allah Ta'ala has constrained the hypocrites to emerge from their hideouts to expose themselves. Now the Ummah is aware of these followers and agents of Iblees. They are the ones who are calling on the government to keep the Musaaqid closed, and to prevent Muslims from the daily Fardh Salaat and Jumuah Salaat.

Munaafiqs such as the reverend abraham bham and the MJC juhala zindeeq hybrid 'sheikhs' have misled the government with lies. They claim to be the representatives of the Muslim communities when in reality they are a fringe group of juhala representing other munaafiqs and zindeeqs like themselves. As far as the Muslim masses are concerned these munaafiqs enjoy extremely little support. The evidence for this claim appears in this article.

The vast majority of the Musaaqid in the country have stated their support for the Mujlisul Ulama of S.A. in its endeavor to obtain governmental approval and consent for opening the Musaaqid. But the cartel of munaafiqeen and murtaddeen are currently panting and puffing in great desperation in their plot to have the ban perpetuated on the closure of the Musaaqid.

So far over 170 Musaaqid and Musallas have stated their full support for the endeavor of the Mujlisul Ulama. More are expected. At the outset, it is clarified that the support of these Musaaqid country-wide for the Mujlisul Ulama is confined to the endeavor to gain the opening of the Musaaqid. The Mujlisul Ulama does not claim to represent all these Musaaqid and their congregations in all matters.

In the undermentioned list of Musaaqid there are many for which the Mujlisul Ulama does not claim permanent representation.

One salient and intriguing feature of the list is that the very first Masjid listed is **the Hamidia Masjid, Newtown, Johannesburg.**

Since the past number of years the imaam of this Masjid has been no other than the Munaafiq **reverend abraham bham**

, the cross-worshipper, and the chief shaitaan calling for the closure of the Musaaqid to be retained.

While this miscreant makes egregious and scandalously false claims of representing the Muslim community, he does not represent even the congregation of the Hamidia Masjid where he is or is supposed to be the imaam. This fact alone is more than adequate to rebuff the rubbish and the lies which this unfortunate epistasis disgorges regarding his hallucinated representation.

From the list of Musaaqid it will be observed that most of the major Musaaqid in the country are supporting the Call for the opening of the Houses of Allah Ta'ala. The community now being apprized of the nifaaq of these murtaddeen masquerading as Muslims, should not become ensnared in the shaitaani traps of those who plot against the Deen of Allah Ta'ala.
