In a shocking development the President of Madagascar has made a sensational claim that the [WHO offered \\$20m bribe to poison COVID-19 cure](#). The herbal remedy called COVID-19 Organics made from Artemisia can cure COVID-19 patients within ten days said the President. He also raised the question that if it was a European country that had actually discovered this remedy, would there be so much doubt?

#### WHO Offered \$20M Bribe To Poison COVID-19 Cure – Madagascar President

The President of Madagascar Andry Rajoelina has accused the World Health Organisation of a plot to have its COVID-19 Organics, the local African 'cure' for the virus poisoned. Rajoelina claims WHO offered a \$20 million bribe to poisoned their medicine, Tanzania Perspective [reported](#) on the front-page of its 14th May edition.

The President of Madagascar believes the only reason the rest of the world has refused to treat Madagascar's cure for the coronavirus with urgency and respect is that the remedy comes from Africa.

WHO Offered \$20M Bribe To Poison COVID-19 Cure says the President of Madagascar as reported by Tanzania Perspective

In an interview with French media, President Rajoelina reportedly said he has noticed what he

believes stems from usual condescension toward Africans. *“I think the problem is that (the drink) comes from Africa and they can’t admit... that a country like Madagascar... has come up with this formula to save the world.”*

*“What is the problem with Covid-Organics, really? Could it be that this product comes from Africa? Could it be that it’s not OK for a country like Madagascar, which is the 63rd poorest country in the world... to have come up with (this formula) that can help save the world?”*

*“If it wasn’t Madagascar, and if it was a European country that had actually discovered this remedy, would there be so much doubt? I don’t think so,” said Africa’s youngest head of state, the President of Madagascar Andry Rajoelina.*

The remedy, COVID Organics, is made from Artemisia, a plant imported into Madagascar in the 1970s from China to treat malaria. Artemisia has had proven success against malaria and according to President Rajoelina it can cure COVID-19 patients within ten days.

However, the WHO has criticized such natural therapeutic measures against the coronavirus as blind faith. In response to the skepticism with which the WHO is treating the COVID Organics, Rajoelina said, “No country or organisation will keep us from going forward.”

A host of other African countries including, Tanzania, Guinea-Bissau, DR Congo and Niger, have imported the Madagascan made recipe.

The opposition political parties rejected the “foreign-sponsored Bill” mandating the compulsory vaccination of all Nigerians even when the vaccines have not been discovered and demanded the Speaker be impeached if he forces the bill on members.

Just a couple of days later, an [Italian politician demanded the arrest of Bill Gates](#) in the Italian parliament. Sara Cunial, the Member of Parliament for Rome denounced Bill Gates as a “vaccine criminal” and urged the Italian President to hand him over to the International Criminal Court for crimes against humanity. She also [exposed Bill Gates’ agenda in India](#) and Africa, along with the plans to chip the human race through the digital identification program ID2020.

The Madagascar controversy has erupted days after [Tanzania kicked out WHO](#) after Goat and Papaya samples came COVID-19 Positive. With the rise in false Coronavirus cases, the Tanzanian President John Magufuli growing suspicious of the World Health Organization (WHO), decided to investigate the claims himself.

He sent the WHO samples of a goat, a papaya and a quail for testing. After all 3 samples came COVID-19 positive, the [Tanzanian President is reported to have kicked out WHO](#) from the country.

Following the Tanzanian lead [Burundi also kicked out entire WHO Coronavirus Team](#) from the country for interference in internal matters. In a letter addressed to WHO’s Africa headquarters, the foreign ministry says the four officials must leave by Friday.

Looks like WHO’s days in Africa are over!
