### BOGUS uucsa's STATEMENT – A FURTHER PORTRAYAL OF THEIR NIFAAQ

Welcoming the president's belated decision to pass some crumbs to the Muslim community regarding the opening of the Musaaqid, Bogus uucsa's Munaafiq Kalb Patel said: "The opening of the Masaqid brings a sense of enormous relief as the places of worship plays a prominent role in the lives of all Muslims."

This kalb and the other munaafiqeen of Bogus uucsa and Jaahil mjc must be labouring in the delusion that the entire Muslim community is stupid. These vermin are hoping that Muslims have forgotten the treachery which they (these vile munaafiqs) had perpetrated just a few days ago. Munaafiqs suffer from the malady of myopism. The Community has not forgotten their treachery.

These ghutha and hufaalaa cartel of Munaafiqeen who are now bootlicking the president and who are speaking glowingly about the Musaaqid, are the very same scoundrels who had orchestrated several bogus and fictitious bodies to oppose the Community's request to the president to open the Musaaqid.

These very same shayaateenul ins (human devils) had vigorously argued in the High Court that:

- The closure of Musaaqid must be retained.
- The Five daily Fardh Salaat must not be allowed in the Musaaqid.
- Jumuaah Salaat must not be allowed in the Musaaqid.
- The Musaaqid are the worst spreaders of the disease engineered by Bill gates.
- The Musaaqid are a grave threat to the lives of the population.

While this progeny of Iblees posed as 'lifesavers' in the court dubbing themselves the 'friends of the court', every Muslim of true Imaan understood that they were the Enemies of Allah Ta'ala. Now suddenly have they forgotten about being lifesavers.

Now since the president has allowed the Musaaqid to function, albeit in a cockyed fashion, the objective of saving lives has been forgotten by the munaafiqs of Bogus uucsa. O you progeny of Shaitaan! What has happened to your stated belief and objective of saving lives on the basis of shutting the Musaaqid and destroying the Deen?

The “protocols to be abided by” stated by the miserable kalb of uucsa are haraam shaitaani protocols. They befit only the munaafiqeen.

The Bogus uucsa kalb says: “Muslims must remember that the COVID-19 pandemic is not yet over.”

As far as Islam and the Muslim community are concerned, there never was a pandemic. According to numerous atheist scientists and medical experts, Bill Gates’ ‘pandemic’ was and is merely a ‘seasonal flu’ which in comparison to real epidemics and pandemics of the past pales into insignificance.

Th Munaafiqeen have exposed themselves. This is the best advantage of the so-called ‘pandemic’. Allah Ta’ala has exposed the Munaafiqeen. May the La’nat of Allah settle on the Munaafiqeen.
