THE KUFU SHENANIGANS OF THE EVIL BOOTLICKING MOLVIS

Falling over themselves in an inordinate stupor to bootlick the government, the vile molvis are in the processing of fabricating a new religion which they deceptively label 'islam'. Regarding this satanic religion, a Brother from Pietermaritzburg writes:
"Center Masjid in Church street Pietermaritzburg.

Was notified by masjid group of 12.30pm Azaan and 1pm Jamaat. Was before 1pm on site.

Guard was commanded to not allow anyone in masjid premises from 1pm onwards. Brother Goolam of Manjras PMB as stated that Mufti Desai is Ameer of masjid and makes the Law that only one Congregation of 50 and no further allowing in masjid.

Has this become the state of our Aalims, not allowing musallees into masjid and closing gates as it SUITS THEM?

So the masjid is only open when trustees say so, although they don't own the masjid. It is the HOUSE of Allah but TRUSTEES to suite themselves are restricting entry into masjid and preventing from performing Salaah by ONE'S Ownself.

Sad to say, Mufti Desai has made such laws in conflict with what he has all his life stood for and preached to the world. WE NOT GOING AGAINST THE LAW OF LAND, BUT AS AN AALIM TO RESTRICT ENTRY OF MUSALLEES CRYING TO READ SALAAH IN MUSJID IT IS TOTALLY INTOLERABLE. THESE ARE OUR SO CALLED GUIDING AALIMS!

WE WOULD HAVE READ SALAAH INDIVIDUALLY, ON OUR OWN BUT WE WERE REFUSED ENTRY INTO THE HOUSE OF ALLAH ALTHOUGH RESTRICTIONS OF ENTRY HAVE BEEN UPLIFTED BY GOVERNMENT, FOLLOWING COUNTRY RULES.

ALLAH HELP ME! THESE SO CALLED OUTSTANDING AALIMS WHICH CLAIM TO BE HELPING THE UMMAH OF SOUTH AFRICA WITH SUCH WAYS OF INNOVATIONS WITHIN OUR PERFECT FAITH OF ISLAM." (End of the Brother's lament)

Brother, please understand well that the musallis are just as blameworthy as these ulama-e-soo'. Why do the musallis humiliate themselves with submission to the plethora of haraam fong kong conditions which they have acquired from the atheists?

These illegitimate 'trustees' are the illegitimate progeny of Iblees, hence they are promoting the plot of Iblees. They behave as if they have inherited the Musaaqid from their fathers. In these villainous circumstances, it is the obligatory duty of the Musallis to boot out these devilish 'trustees' and kick out the mercenary imaam who commits the shirk of believing that the wealthy chaps controlling the Musjid are his raaziq.

These jaahils who masquerade as aalims actively connive with the kuffaar and munaafiqeen to undermine the Shariah. The Musallis should not bow and kowtow to the haraam filth which they have introduced into the Musaaqid. If the circumstances are such as to preclude the Musallis from observing the Waajib requisites of Salaat such as Rasulullah's command of "Taraas-soo!" (Shoulder to shoulder like a solid steel wall), and if due to Imaani deficiency they are unable to dismantle the haraam fong kong stipulations for the opening the Musaaqid, then they should not go to the Musaaqid.

In this event, they should perform Salaat at home and also form small Jamaats, and transform their homes into Musaaqid. Allah Ta'ala will reckon with and destroy the villains who are undermining Islam.
