THE JUHALA HAVE NOT VENTURED A SINGLE VALID DALEEL FOR JUSTIFYING KUFR-SATANIC SALAAT GAPS

Question

Those who say that the excessively wide ugly gaps between Musallis in Salaat is permissible, say that it is only Sunnah to stand shoulder to shoulder. But their strongest argument according to their understanding is that in most countries the unanimous or near unanimous opinion is that the gaps are permissible. They list the following countries in support of their contention: Pakistan, Saudi Arabia, Egypt, Turkey, Jordan, India, Britain, America, Australia, Canada and South Africa. They say that it is incumbent to make taqleed of this unified opinion of the Ulama. Please comment. Is there any validity in this argument?

Answer

Those who have issued the rubbish 'fatwa' of permissibility are not Ulama. They are Baboons, and only pongos make taqleed of Baboons. This argument is exceptionally putrid and stupid. It displays the gross stupidity and bootlicking attitude of the so-called scholars who are either scholars for dollars or bootlickers.

All so-called 'scholars' and molvis/sheikhs who plod the path of baatil have one evil trait in common. They will criticize the one who states the Haqq or holds an opposite view without even touching on the dalaa-il we present for substantiating the view of the Shariah.

We have published many publications on the issue of satanic 'social distancing', and in each booklet / article we have presented the Shar'i arguments. But these mudhilleen and illegitimate progeny of Iblees NEVER answer the dalaal. They talk drivel. Their 'daleel' is the majority of the modernists and mudhilleen which preponderate in this era in close proximity to Qiyaamah. And, Rasulallah (sallallahu alayhi wasallam) had predicted these scenarios. The time will still come when there will not remain a single Aalim of Haqq.

What happens today in the list of countries mentioned by the Baboon character is never Shar'i daleel. The only valid daleel is the Shariah. If the world full of molvies, sheikhs and scholars for dollars and the myriad of bootlickers issue a stupid 'fatwa' in conflict with the Qur'aan and Sunnah, it shall be deposited in the toilet. In these times as well as in times progressively leading up to Dajjal and Qiyaamah, the Ulama-e-Haqq will disappear from this dunya. Then only the scum such as these Baboons masquerading as Ulama will remain to debauch, mangle and pillage the Shariah. Rasulallah (Sallallahu alayhi wasallam) said:

"The Saalihoon are disappearing (from this world) one after the other until there will remain only the Hufalah (scum, flotsam, rubbish Baboons) such as the chaff of barely or dates. Allah will have no care whatsoever for them."

All the countries mentioned in the stupid list are under the sway of real kuffaar regimes. The baboonery of the one who has presented this stupid 'daleel' is highlighted by the fact that he adds Egypt, Saudi Arabia, Jordan, India and the other kuffaar countries. In all these countries, the so-called ulama are under the direct control of the kuffaar regimes. In India and Pakistan, the molvis, including the once-famed Madaaris such as Deoband and Binnuri Town, etc., have bartered away their souls for the dunya. They peddle the official policy and orders of the governments.

In Britain it is worse. A molvi dare not mention anything against this bogus 'pandemic' nor against homosexuality. The same applies to Australia and Canada where only junior moron molvies preponderate. In Turkey, just write it off. Turkey has just emerged from a virulent type of anti-Islam atheism. What their scholars say have no Shar'i value.

In South Africa, while there are still a handful of Ulama-e-Haqq, the vast majority is of the Baboon type.

We defy these morons, Bavoons and pongos to answer every daleel which we have published to prove that:

- The large gaps in Salaat are haraam
- The large gaps in the backdrop of the current context is kufr which invalidates not only the Salaat, but also Imaan.

We have explained these issues in detail. If the Baboons are unable to answer, they should seal their noxious mouths. They are of the type mentioned in the Qur'aan: *Summun bukmun umyun..... (They are deaf, dumb and blind. They will not return (to the Path of Allah).*

And about the baboonic majority to whose taqleed the pongos submit, the Qu'aan Majeed says:
"In fact, the majority does not know the Haqq. Thus, they turn away (from it)."

"If you follow the majority on earth, they will mislead you from the Path of ﷻ Allah."
