NIKAH NOT VALID WITH THESE MUNAAFIQ BOOTLICKERS

Question

Assalamu Alaikum Wa Rahmatullah

A very senior Mufti of Bangladesh named Mufti Mansurul Haq (who is the Khalifah of Hardui Hazrat Abrarul Haq Rahimahullah) has recently issued the following verdict :-

If any Muslim believes that Diseases are contagious, then he will loose his Iman. One must not marry such fellows having such corrupt beliefs. Nikah with such person will be invalid.

Is this a unanimous position of the Ahle Sunnat wal Jamaat ☐ ?

May Allah Azza Oa Jal keep you all with 'Aafiyaat.

ANSWER

What the honourable Mufti Mansurul Haq has said is 100% correct. We have mentioned the very same verdict of the Shariah in numerous of our publications.

Those who reject the explicit declaration of '*La Adwa*' of Rasulullah (sallallahu alayhi wasallam) can never be Muslims. They are munaafiqeen and Murtaddeen.

Alhamdulillah! In this world darkened with kufr and nifaaq there are still some Rays of Allah's Haqq which the world full of Satanist molvis and sheikh will not be able to extinguish.

The position stated by the honourable Mufti Saheb is most certainly the unanimous position of the Ahl-e-Haqq of the Ahlus Sunnah Wala Jama'ah.

The modernists, munafiqeen, scum molvis and sheikhs of this era have embraced kufr, hence they are bootlicking the atheists and denying Rasulullah (Sallallahu alayhi wasallam). These Kilaabun Naar (Dogs of Hell-Fire) will understand their villainy when their souls are stuck in their throats at the time of Maut, and in Qiyaamah at Haudh-e-Kauthar. They are worse than khanaazeer. In this dunya they are not contented with licking the boots of the atheists. They descend to the most despicable act of licking even their hinds and ingesting their excrement.

May Allah Azza Wa Jal destroy and utterly deracinate the bootlickers – these vile molvis and sheikhs – and also their atheists devils who have introduced this reign of satanic terror.
