

### THE UK WIFAAQUL ULAMA VACCINATION FATWA?

Commenting on our article which condemned the vaccination fatwa of the UK Wifaaqul Ulama, a brother from the U.K. writes:

*The Fatwa of this vaccine being Halal was not issued by Wifaqul Ulama but by the most Senior Mufti Shabbir Ahmed Saheb 3 days before Wifaqul Ulama. Kindly comment on the matter as this Fatwa is what became reason for other UK Ulama.”*

While the above comment of the brother is somewhat ambiguous, our comment is as follows:

The ‘fatwa’ was issued in the name of Wifaaqul Ulama of U.K. If they are not responsible for the fatwa, they should issue a public statement, and also state their views in this regard. If they dissociate from the haraam fatwa which the ‘most senior’ moron mufti had issued to appease the atheist government and by means of which he has betrayed Islam and the Ummah, then it will enable us to retract our criticism.

As long as the Wifaaq Ulama do not dissociate from the haraam, baatil fatwa of permissibility, we shall remain constrained to severely condemn them and the fatwa attributed to them. In this sacred obligation of *Amr Bil Ma’roof Nahyi Anil Munkar* not celebrity and no ‘grand mufti’ and no senior shall be spared from being targets for condemnation.

Salaam on those who follow the Huda of Allah.
