THE DEVIL'S VACCINE!

"I LOCK OUT ANY VACCINE THAT IS OF THE DEVIL."

In his prayer, Chief Justice Mogoeng Mogoeng, supplicated:

"I lock out any vaccine that is not of You. If there be any vaccine of the devil, meant to infuse 666 in the lives of people, meant to corrupt their DNA, and such vaccine...may it be destroyed by fire.....Any such vaccine, Lord God Almighty, may it be destroyed by fire....."

Any legalising agent, Lord, for wickedness in this nation, for wickedness in Africa and across the nations of the world, Lord Almighty, send ☐ Your angels, send even Your angel of the media, send all the angels of fire, the angel of judgment, the angel of the wings of the Lord, to enforce Your will.

My Father and my God, if there be any leader in this nation who is serving himself or herself to the exclusion of the people, pretending to be a good leader, You know them.....

My God, I say it and will never apologise for praying. Judge the evil ones who want to corrupt this country and eat along with their friends.....”
