[NNB jamiat's PROPOSED PROJECT OF ISRAAF, RIYA AND TAKABBUR](#)

“What! Are you constructing mansions as if you will be living forever (on earth)?” (Qur’an)

Rasulullah (Sallallahu alayhi wasallam) said:

“When barkat has not been put in a man’s wealth, he then squanders it in water and sand (i.e. buildings) is in the Path of Allah except what is (wasted) on sand (i.e. buildings)” ***“All expenditure***

The Fordsburg jamiat, i.e. NNB (No Name Brand) jamiat, parading itself as *jamiatul ulama south Africa*, is contemplating to waste tens of millions of rands of public money to construct a wasteful, haraam building to fulfil one of its sinister objectives motivated by the inordinate craving of some of its molvis for *hubb-e-jaah* (love for cheap name/fame) and *hubb-e-maal* (love for wealth).

It is haraam to contribute funds for this project of ***Israaf, Riya and Takabbur***.

(1) The extravagant building which will cost tens of millions of rands will be a white elephant. It is designed for egoistical motives. There is absolutely no need for such a wasteful project designed to accommodate miscreant molvis –ulama-e-soo’ – in secular style. The morons of the NNB jamiat are craving to sit in plush offices in the style of secular advocates. Despite their bankruptcy in both the Deeni and secular fields, they suffer from the inordinate crave for name, fame and for whatever other worldly perks and boodle could be achieved from the deceptive show-piece building.

(2) The Ummah is burning with oppression, ignorance, squalor and poverty. Millions of Muslims all over the world are languishing in abject suffering of a variety of kinds, yet the morons of the NNB jamiat, believing that they are Ulama, suffer no pangs of conscience nor are they touched by the heart-rending plight of the Ummah.

Rasulullah (Sallallahu alayhi wasallam) said: *“You are not a true Mu’min as long as you do not love for your brother what you love for yourself.”*

What is the condition of the Imaan of these molvis who ignore the sufferings of millions of Muslims while they satanically squander tens of millions of rands on wasteful, ostentatious

unnecessary projects/buildings of show and pride for no reason other than *nafsaani* gratification? They are devoid of the slightest vestige of *Khauf (Fear)*

for Allah Ta'ala, hence they are entirely oblivious of *Maut*

which stalks us daily. The Qabar and Qiyaamah are the furthest from their minds. It is for this reason that they are so insensitive and impervious to the sufferings of the Ummah.

(3) They are the very same people who had recently gone to the kuffaar court, acting as ***“FRIENDS OF THE COURT”***

to argue for the closure of the Musaaqid. They had actively and most treacherously argued and begged the kuffaar court to retain the ban on the closure of the Musjid. They had committed the blasphemy of propagating that the Houses of Allah are ***“super-spreaders”***

of the covid Satanism. They are

THE ENEMIES OF ALLAH!

A ‘friend of the kuffaar court’ appealing and begging to have the Musaaqid closes can only be an

ENEMY OF ALLAH.

Allah Ta'ala Himself confirming this fact, says in His Qur'aan Majeed:

“Who is a greater ZAALIM (oppressor/tyrant) than the one who prevents the Name of Allah from the Musaaqid while striving to ruin the Musaaqid?”

They had argued in the kuffaar court against the Ulama who had asked for the Musaaqid to be opened. They had laboured satanically to vilify the Musaaqid, Wudhu and Salaat. Their arguments against Islam and the Musaaqid were their plea to the kuffaar court. Thus, they eliminated whatever shred of Imaan they had.

(4) They are the very same NNB jamiat people who had called for the closure of the Musaaqid, cancellation of the Five Fardh Salaat with Jamaat in the Musaaqid, and for the abrogation of Jumuah Salaat.

(5) They are the very same miserable traitors who act as *mpimpis* –rat-like spies – who report to the police where Muslims were conducting Taraaweeh and Jamaat Salaat. It was by the 'barkat' of their Satanism that they recently had the police to close the Marlboro Musjid.

(6) There are numerous genuine Deeni projects for contributing funds. Sadqaat and Lillah funds are contributed to gain the Pleasure of Allah Ta'ala and for Thawaab in the Aakhirah. Sadqah/Lillah should not be given for name, publicity or for any other motive which in terms of the Deen are ulterior. Donations made for the acquisition of name and publicity are a form of *shirk*.

Utilize the wealth Allah Ta'ala has given you for building up your capital in the Aakhirat. Give Sadqah for the attainment of purification from sins. Rasulullah (Sallallahu alayhi wasallam) said:

"Sadqah extinguishes the Wrath of Allah."

"Sadqah' given intentionally for purposes and projects which are designed for base motives such as the NNB jamiat's proposed wasteful white elephant, invites the Wrath of Allah Ta'ala. It is

haraam

to contribute towards wasteful projects such as the haraam project proposed by the NNB jamiat. Every sincere Muslim can understand the ulterior motives underlying the proposed wasteful structure of

Riya.

(7) Understand well, that the reverend Abraham Bham and others of his ilk engage in activities which undermine Islam. This character is an ubiquitous participant in kuffaar programs, the worst of which is the shaitaani kufr interfaith movement which demotes Islam to the level of kufr and shirk religions and ideologies, while promoting such Satanist cults to the status of Truth occupied by Islam. His presence at such abhorrent gatherings and programs alongside priests and pundits is by no means a fortuitous juxtaposition. There is a sinister design underlying such haraam participation.

(8) In addition to being Shiah supporters, the NNB jamiat in its bootlicking exercises supports the government's haraam mandatory vaccination program.

(9) These NNB jamiat molvis along with their vile MJC munaafiqeen counterparts have transformed the Musaaqid into weird temples with the haraam covid protocols. They do so only to bootlick the government and the atheists. They debar Musallis from the Musaaqid. They are a satanic obstacle between Allah Ta'ala and His servants.

In brief, the NNB jamiat is a danger to Islam and to the Muslim community. There is no *Lillaahiy at* in their activities. They are supporters of the Shiahs and a threat to Islam. In the name of Islam hidden agendas are presented with deception.
