Rasulullah (sallallahu alayhi wasallam) said:

“Never ever will prosper a people who assign their affairs to a woman.”

“Relegate women to the back stage just as Allah has relegated them to the back.”

HERE IS NO conundrum underlying the backward, retrogressive step taken by the vile Najdi rulers of Saudi Arabia in their appointment of the Naaqisaatul Aql species to positions of leadership. The appointment of women to positions of leadership is in flagrant violation of Islam. But violation of Islam has no meaning for the Saudi rulers who are the poodles and puppets of the U.S.A. and whose survival is dependent on America in the same way as is the survival of Israel.

The retrogressive move to appoint women to leadership positions is clearly in obsequious submission to the demands of the U.S.A. The Saudi regime has long ago forfeited being an Islamic entity. Even its external facade of being a government in accordance with the Shariah has been effaced by the vulgarity of the un-Islamic laws being promulgated in Saudi Arabia, and by the crass immorality which has become the norm of Saudi society.

When men whom the Qur’aan explicitly states have been elevated above women, plot to introduce what is haraam in Islam to placate the U.S.A. and western kufr culture, it exhibits their mental derangement. The consequence of acting unnaturally is the disturbance of one’s mental equilibrium. When the intellectual ability is deranged, then what is unnatural appears to be natural; what is retrogressive appears to be progressive. Darkness appears as light, Haraam as Halaal, and Kufr as Imaan. This is the current disease which is gripping the brains of the Saudi regime, and nearer home, the brains of the MJC ‘ulama-e-soo’ who are following in the footsteps of the Saudis or who wish to outclass the Saudis by demonstrating their moffi’ism of which feminine leadership is the outer façade.

As far as the ghutha of the MJC is concerned, many of them are not even Muslims. Their beliefs are total kufr. The MJC is an aberrant conglomerate of fussaag and fujjaar whose only function is to halaalize carrion and stash up the haraam boodle in a variety of banking accounts. There is nothing but zulmat in this faasiq body which is the cause for the destruction of the akhlaaq and even Imaan of innumerable Muslims in the Western Cape.

One coprocreep member of this shaitaani body says: “The MJC took the correct initiative two years ago when we made changes to our constitution to allow female membership.” This jaahil has implied that all the old, senior Shaikhs of the MJC were in error and were retrogressive for not allowing female membership. In fact, the ghabi MJC member has implied that the Qur’aan and Rasulullah (sallallahu alayhi wasallam) are in error for having assigned women the back role – the home role – the hidden role. In open conflict with Rasulullah (sallallahu alayhi wasallam) who said that a nation with female leadership will never prosper, and in abnegation of Rasulullah’s depiction of women as Naaqisaatul Aql (of deficient intelligence), and in denial of the superiority which the Qur’aan explicitly states for men, the juhhaal of the MJC are licking the boots of the U.S.A. kuffaar in emulation of Saudi Arabia, and are clamouring for the leadership of those whom Allah Ta’ala has by nature created intellectually deficient and weak in all aspects.

The clamour for female leadership implies the inversion of the natural roles of man and woman.

Allah Ta'ala has created woman specifically for the home role, hence she is designated Aurah by Rasulallah (sallallahu alayhi wasallam). In a Hadith, Hadhrat Abdullah Ibn Mas'ood (radhiyallahu anhu) said: "Woman is aurah. When she emerges (from her home to enter the public domain), shaitaan lies in ambush for her." Those who emulate the kuffaar west, in total denial of women's Aurah status, flaunt the pictures of women for all and sundry.

The Voice of Shaitaan, in flagrant transgression of Allah's command, published for vulgar public consumption the pictures of some stupid women pretending to be engrossed in academic and intellectual pursuit whilst the scenario was simply a silly pantomime fraud for public exhibition. These deviates masquerading as Muslims do not display even a vestige of Islamic haya. Utter shamelessness is the salient feature of all those who project females into the public domain. As for the women themselves – due to the nuqs in their aql, they are easily manipulated by the juhala masquerading as sheikhs and molvis who are of the Dayyooth (effeminate/ moffy) class of shayaateen in human garb.

Let these enemies of Rasulallah (sallallahu alayhi wasallam) parading as 'ulama' open their clogged ears and hear what Nabi (sallallahu alayhi wasallam) said:

"When your rulers are the worst among you (such as the current rulers of all the Muslim lands); your wealthy the most niggardly among you, and YOUR AFFAIRS ARE ENTRUSTED TO YOUR WOMENFOLK, THEN THE BOWELS OF THE EARTH (THE GRAVE) WILL BE BETTER FOR YOU THAN THE SURFACE OF THE EARTH,"

Due to the moral corruption of the ulama of the day, their nuqs fil aql (intellectual deficiency) has become worse than even the intellectual deficiency of females, hence they are volitionally prepared to don the underwear of the females and be led along by women with the leash in their hands.

According to Rasulallah (sallallahu alayhi wasallam), this type of corrupt ulama are "the worst of people under the canopy of the sky." They are the creators of fitnah, haraam, fisq, fujoor, bid'ah and kufr all in the name of the Deen.

When the ulama are rotten, the rot permeates the entire fabric of Muslim society. The moral and spiritual degeneration and corruption in which the Ummah is today wallowing is the direct consequence of the moral rot of the shayaateen masquerading as 'ulama'. These ulama-e-soo' are perennially undermining the Deen and digging up the foundations of Islam. In Jahannum shall they circumambulate their entrails for their high treason against Allah Azza Wa Jal.
