THE PORK-DONKEY MEAT SCANDAL

“Eat of the Tayyibaat (wholesome and halaal) food which We have bestowed to you.”
(Qur’aan)

“O People of Imaan! Eat of the Tayyibaat which We have granted you, and fulfil shukr (to Allah – i.e. be grateful).” (Qur’aan)

“And We have given them Tayyibaat (to consume)...”
(Qur’aan)

“We have granted them from the Tayyibaat (wholesome food) and elevated them over the (people) of the worlds.” (Qur’aan)

“Say (O Muhammad!) Khabeeth (filth/evil) and Tayyib (what is Wholesome and Pure) are not the same even though an abundance of khabeeth (such as carrion chickens, ‘halaal’ pork and donkey meat) is appealing to you.” (Qur’aan)

“O People! Eat from the earth what is halaal and tayyib.”
(Qur’aan)

“He (Allah) has granted you rizq from the Tayyibaat (wholesome and pure foods) so that you may be grateful.”
(Qur’aan)

The foregoing are merely a few verses from the Qur’aan Majeed in which Allah Ta’ala emphasizes the vital importance of consuming only what is halaal and tayyib. What is not tayyib is never meant for Muslims. Only kuffaar and the lowly beasts devour unwholesome and haraam substances falsely dubbed ‘food’. Whilst even intelligent non-Muslims brand the destructive, cancer-producing processed meats and foods in general ‘junk’ food, Islam describes it as Maitah (Carrion) and Khabeeth (Filth).

Allah Ta’ala has bestowed to Muslims the most superior and elevated rank above His entire creation. It does not behove this noble, elevated human species of creation to descend to the sub-bestial level of devouring khabeeth and maitah. Filth and Carrion are the very antithesis of the requisites vital for the nourishment and development of Imaan and Roohaaniyat (Spirituality). It is most lamentable that in this age, the Carrion-Halaalizing shayaateen in human

form such as SANHA, MJC, etc. have transformed Muslims into carrion addicts.

For decades we have been alerting the Muslim community, calling incessantly on Muslims to understand exactly what they are consuming. We have left no stone unturned to alert Muslims and to inform them of the filth and carrion they are consuming under haraam 'halaal' tags which the vile carrion-halaalizers were selling to kuffaar entrepreneurs for gratifying their haraam monetary lust.

Now, even non-Muslim experts are vigorously exposing the massive fraud which has been perpetrated with deliberate mislabelling – fraudulent labelling – of meat. Donkey meat, pork and a variety of other carrion and filth have all along been marketed as 'halaal', and Muslims were 'enjoying' themselves with the haraam filth. The deluge of sicknesses in the community should now not bewilder anyone. The 'halaal' pork and donkey meat bring in its wake diseases such as cancer, heart problems, diabetes and a host of other grave sicknesses which the medical establishment fails to cure.

SIGHT SHOULD NOT BE LOST OF THE IRREFUTABLE FACT THAT MOST OF THE 139 SAMPLES OF MEAT TESTED BY THE SCIENTISTS WERE HALAAL STAMPED. THE CONSEQUENCE IS TOO GHASTLY TO CONTEMPLATE. MUSLIMS WERE FOR DECADES DEVOURING 'HALAALIZED' PORK AND DONKEY MEAT.

The community was sufficiently, timeously and incessantly forewarned about the filth and carrion being sold and consumed. It must now come as a shock to numerous carrion addicts that the filth and rot which they were eating for decades were stamped 'halaal' by vile entities such as SANHA, MJC, NIHT, etc.

In the United Kingdom and Norway the same pattern of events has been established by non-Muslim authorities, not by the 'halaal' certifiers. The Westminster City Council in England has banned the haraam 'halaal' stamped meat which used to be fed by a Muslim supplier to Muslim children at schools. In Norway the non-Muslim authorities have opened a police file to nail those who had labelled pork 'halaal'. All over Europe the fraudulent-labelling has reached epidemic proportions and has been exposed by non-Muslims. Meanwhile all the satanic 'halaal' certificate hawkers are silently shivering in the shadows now that their fraud has been exposed by non-Muslim experts and governmental authorities.

AFTER ALL THIS FRAUD AND DECEPTION CAN ANY MUSLIMS STILL HAVE THE STAMINA FOR CONSUMING THE FILTH AND THE CARRION – THE PORK AND THE DONKEY MEAT MARKETED AS 'HALAAL'? MAY ALLAH TA'ALA HAVE MERCY ON MUSLIMS, AND MAY ALLAH TA'ALA DESTROY THE 'HALAAL' CERTIFICATE VENDORS WHO ARE ON PAR WITH DRUG PEDLARS.

"Only people of intelligence derive lesson." (Qur'aan)
