INTERNATIONAL 'muslim' WOMEN'S DAY IS A DAY FOR SHAITAANI ZAANIYAHS

The haraam satanic international day of murtaddah zaaniyah women, promoted by one Sautush Shaitaan (Voice of the Devil), called Ansaar Radio, which is also a subtle agent of Shi'ism, is another evil event predicting the proximity of the Day of Qiyaamah. When women who profess to be Muslims celebrate days of Zina in emulation of their kuffaar counterparts of the western women's lib. movement, it confirms that Divine Curse and Punishment are overhanging this community whose Ulama have become mute observers of the zina filth which these wayward so-called 'Muslim' women are flagrantly perpetrating. These evil Zaanayahs have eliminated every vestige of Imaani haya which is supposed to be inherent in every Muslim female.

However, their flagrant acts of immorality confirm that they are rotten to the core with vice and immorality of the zina brand. Only zaaniyahs love public exposure. Only zaaniyahs derive pleasure in parading in public. Only zaaniyahs regard emulation of the lewd ways and acts of the western kuffaar women as 'enlightenment' and 'progress'. It is for this reason, that most of these women who prowl around the streets making an exhibition of jaahiliyyah of themselves, have lesbian inclinations, and their husbands all come within the scope of Rasulullah's pejorative designation, Dayyooth, with which he designated the cuckold khanaazeer husbands who are able to tolerate their females prowling in the streets and participating in zina events such as the shaitaani 'muslim' women's international day'.

Muslims who understand the meaning of Imaan and who have true concern for the Deen and their objective of the Aakhirah should beware of this Sautush Shaitaan Ansaar Radio. It is a medium of shaitaan for propagating kufr, fisq and fujoor. All brands of kufr find accommodation in this Sautush Shaitaan. A concerned brother wrote:

"I wish to bring to your attention a very important issue. Today (Fri. April 26), around 15:50 before the 4 pm news, a lady named Shabnam was inviting people to Woman's day program in the 'Imam Husain Mosque'. From our knowledge, this is a Shiah mosque and this has been publicized by the al-ansaar radio.

Many who are not familiar might fall into the traps of the Shiahs. Attached are screenshots of her tweets as well as the programme she is advertising for."

The 'Imam Husain' so-called mosque is actually a Shiah temple. It has been deceptively dubbed 'mosque' as part of the long term plot to entrap ignorant Sunnis in the evil tentacles of Shi'ism. The zaaniyahs are prime and subtle promoters of the Shiah religion. They have now enlisted the support of the Al-Ansaar Sautush Shaitaan.

The silence of almost all the Ulama is also a subtle agent for the promotion of baatil, kufr, fisq

and fujoor. These Ulama have totally abandoned their Waajib obligation and responsibility of Amr Bil Ma'roof Nahyi Anil Munkar. The consequence of the satanic silence of the Ulama has emboldened the army of Iblees. By the day, the agents of Iblees are increasingly coming out into the open. The silence of the Ulama is satanic because Rasulullah (sallallahu alayhi wasallam) said about such haraam silence:

"He who remains silent regarding the haqq is a dumb shaitaan."

Whilst there is no surprise in the conspicuous manifestation of the Signs of Qiyaamah among which female immorality such as perpetrated by the zaaniyahs of the women's day zina affair, is a prominent aberration of moral filth, it remains the obligation of the Ulama to speak up and proclaim the haqq. It is the duty of the Ulama to guide the ignorant masses regardless of acceptance or rejection. Our duty is only to deliver the haqq. As far as hidaayat is concerned, it is the prerogative exclusively of Allah Azza Wa Jal.

The women professing to be Muslims are flagrantly and in public, like canines, indulging in zina of a variety of hues – zina as described by Rasulullah (sallallahu alayhi wasallam). Yet, the Ulama remain like deaf and dumb creatures. According to Rasulullah (sallallahu alayhi wasallam), lewd women of the type participating in zina events such as women's zina day, will hang, nude in Jahannum suspended from their breasts, and others by their hair and even worse, as depicted vividly in the Hadith of Rasulullah (sallallahu alayhi wasallam) who had witnessed the portrayal of such horrible scenes of punishment on the Night of Mi'raaj.

Many ignorant women are ensnared into the vile traps of zina, shi'ism and salafi'ism by she-devils who have been enlisted as ambassadors for the deviates of Satanism. It is haraam to support any of these Voices of Iblees, the satanic radio stations, whose primary function is to undermine Islam with the name of Islam. While they masquerade as exponents of Islam, they – these Voices of the Devil – are veritable enemies of the Deen. A smattering of qiraa't and other 'deeni' programmes are conducted to deceive the stupid masses. All entities who pursue the dunya in the name of the Deen are confirmed worshippers of Iblees. They are depicted in the following Hadith narrated by Hadhrat Abdullah Ibn Mas'ood (radhiyallahu anhu):

"How will you fare when you are engulfed by a Fitnah which will make your elders decrepit and make your young ones aged? People will regard it (the fitnah) to be Sunnah, and if something of the fitnah is omitted, they will say that a Sunnat has been abandoned.' The Sahaabah asked: 'When shall that time be?' He responded: 'When your Ulama have disappeared; when your qaaris have multiplied in abundance; when your rulers are abundant; when your trustworthy people are few; when the dunya will be pursued with deeds of the Aakhirah, and when knowledge of the Deen will be acquired for worldly objectives."

All of these Signs of Qiyaamah are being enacted in this age. Daily we witness these evil acts attaining reality in rapid succession. Silent Ulama, colluding Ulama –the Ulama-e-Soo' - the Devils' radio stations masquerading as 'Islamic' stations, the so-called 'muslim' women's groups clamouring for zina to be legalized, so-called 'islamic' schools, carrion halaalizers such as SANHA and MJC, so-called 'islamic' riba banks, etc. are all vivid manifestations of the Prediction mentioned in the above Hadith. All these haraam entities operate under Islamic guise. Even the silent Ulama interpret their silence as 'hikmat' (wisdom) whilst they are trapped in the snare of their nafs adorned with the wiles of shaitaan known as Talbees-e-Iblees – the Deceptions of Iblees.

Shi'ism, salafi'ism, modernism and ghulenism (the Turkish model of 'Islam') are the menaces of our age. So beware of all of these cults of iblees.
