### [A HARAAM, KUFR, HINDU 'MENDHI' PARTY TO CELEBRATE A NIKAH](#)

It is indeed terribly lamentable that in our community, last night (10 December 2021) a haraam, kufr, Hindu, so-called 'mendhi' party was organized to celebrate a nikah which is set to be performed tomorrow, Sunday 12 December 2021 at Musjidul Fuqara.

The pictures, reproduced here, testify to the immorality and evil of the haraam party. Women smoking haraam hookah and gyrating to the beat of devil's music, acquitted themselves like prostitutes. It is not possible for these vile women and the menfolk who supported them to be the repositories of valid Imaan. It is not possible for true Muslims to conduct themselves so flagrantly in violation of the Shariah. There was not the slightest vestige of fear for Allah Ta'ala in all those who have participated in this Hindu-style shaitaniyat.

Let them understand well that whatever little Imaan they had, was last night obliterated by their indulgence in the kufr merry making, shaitani stunt. If they are keen to be Muslims, it will be imperative for them to repent and renew their Imaan as well as their nikah. The indulgence was in kufr, for they all believed that the shaitaniyat in which they had indulged is *halaal*. Only women with the tendencies of prostitutes can participate in such immoral, kufr parties.

***THE NIKAH WHICH WAS SUPPOSED TO BE PERFORMED AT MUSJIDUL FUQARA TOMORROW, 12 DECEMBER 2021, HAS BEEN CANCELLED.***

They should perform their nikah at the haraam venue where they had held their haraam, shaitaani, kufr party or at some weird masjid temple where the kufr protocols of the atheists are observed. We shall not allow the sanctity of the Masjid to be polluted with the performance of nikah for those whose very Imaan is dangling on a thread or perhaps entirely extinguished by their flagrant and reckless trampling on the Shariah of Allah Ta'ala.
