EGYPT

THE MJC'S ADMIRABLE AND COMMENDABLE STANCE

The Muslim Judicial Council of Cape Town, announcing its stance on the haraam, brutal oppression of the America's surrogate Egyptian army, and the illegitimate Saudi regime's support for the Egyptian kufr army, issued the following statement which we reproduce verbatim:

"IMPORTANT Important announcement by Muslim Judicial Council (South Africa) Sun.18th Aug. at Egyptian Peace Rally at Darul Islam high school. Sheikh Irfaan Abrahams as well as MJC first deputy president, Sheikh Riyaad Fataar, publically declined a Hajj invitation from the Saudi Arabian Govt for the year 2013. This is the stance taken by the shuyookh as well as the MJC leadership collectively after the King of Saudi Arabia congratulated Egyptian military for ousting of democratically elected president Mohammad Mursi and branding the pro Mursi protesters as "terrorists".

**"They are not doing us any favours by making the Haram (grand masjid in Makkah) beautiful. It is not their money. He is not the Custodian of the Haramayn, but the custodian of destruction. We appeal to everyone to spread this message using Facebook, whatsapp, BB, Twitter and other social media".
Sheikh Ebrahim Gabriels." □ □ □ (End of MJC's announcement)**

We, and we are sure, that the entire Muslim community of South Africa, offer our full moral support and Duas to the oppressed Muslims of Egypt who are being brutalized by the brutal, cowardly, American surrogate Egyptian military operating under the instructions of Israel and funded by America, Saudi Arabia and some Gulf States.

The conspiracy is to eliminate Islam which the Ikhwaanul Muslim is representing in Egypt. The American lackey state of Saudi Arabia has thrown in its lot with Israel in the shaitaani plot to strangle and eliminate Islam in Egypt. But they will not succeed.

The Ummah is called on to supplicate constantly to Allah Ta'ala to eliminate the enemies of Islam and the brutal oppressors of the Egyptian Muslim Ummah. Saudi Arabia, in collaboration with the Yahood and Nasaara, is mistakenly labouring under the baseless notion that the U.S.A. and Israel will be able to bolster and sustain its brutal regime, hence it has shamelessly come out in support of the kuffaar Egyptian military which is currently engaging in its nefarious satanic attempt to crush the forces of Islam. Never will they succeed. Temporary gains are not to be interpreted as victory.

ANY MUSLIM ORGANIZATION OR ENTITY WHICH RECEIVES PERKS FROM THE SAUDI REGIME IN THE FORM OF HAJJ/UMRAH TICKETS, VISAS, CASH, ETC. IS URGED TO EMULATE THE MJC'S ACTION, AND TO FLING THE HARAAM PERKS INTO THE FACE OF THE BRUTAL REGIME. IT IS HARAAM TO ACCEPT THE BRIBES DOLED OUT BY THE SAUDI REGIME.

May Allah Ta'ala send his Nusrat to the Ikhwaanul Muslimeen, and may Allah Ta'ala destroy the enemies who are being led by the Saudi regime under Israeli and American direction.
