

THE CARRION CABAL IN SANHA

USING THE ULAMA AS RUBBER STAMPS

In the Annual Report 1434/2013 of SANHA, its *'theological director'* states in his report:

"Ahamdulillah, the Ulama continue to play a significant role in the day-to-day running as well as executive management and organization. During the period under review, the Ulama Council represented by the theological committee met on two occasions."

How did the Ulama play a 'significant role in the day-to-day running', when the Ulama Component's theological committee had met only twice? The Carrion Cabal only confirms its own falsehood.

In addition to this confounded LIE, the Lockhat-Navlakhi Carrion Cabal which has hijacked the SANHA organization, has been trumpeting the theme of the primary and most significant role of the Ulama Council in the affairs of the body. This theme piped by the cabal is a blatant falsehood. The Ulama component of SANHA is being misused as rubber stamps. The Ulama Council is not only expected to endorse and rubber stamp every decision made by the Lockhat-Navlakhi Carrion Cabal, but is in fact instructed to rubber stamp all decisions effected by the cabal.

CABAL IN SANHA

The truth of the matter is that the Ulama Council entity has no meaningful role in a hijacked Sanha – hijacked by the Lockhat-Navlakhi Carrion Cabal. This reality has come to the fore recently as a result of the refusal of Jamiatul Ulama Western Cape to submit to Navlakhi's instruction to sign a letter of complaint and condemnation of Mufti A.K.Hoosen.

Navlakhi simply trust the prepared letter in the face of Jamiatul Ulama Western Cape and instructed Maulana Igsaan Abrahams to sign it. However, the Maulana Sahib firmly refused and has demanded that a meeting of the Ulama Council be convened to discuss the letter. But the Lockhat-Navlakhi Carrion Clique of hijackers is averse to such a meeting.

It is essential that the Muslim community understands that the decisions in the name of SANHA and all aspects of the carrion halaalization industry are the disgorgement of the Lockhat-Navlakhi Carrion Cabal.

The CABAL has become extremely dictatorial in its mannerism and issues decisions and directives to the exclusion of the Ulama component of the body. The extremely discourteous, in fact rude manner, in which the cabal has treated SANHA's executive member, the Jamiatul Ulama Western Cape is adequate evidence for the recklessness of the Carrion Cabal. This unintelligent recklessness displayed by the Carrion Cabal is the effect of mental irrationalism caused by the inordinate greed for the haraam riba boodle extracted from the holders of the haraam 'halaal' certificates which halaalize the haraam carrion.

In the very same Annual Report of SANHA mentioned above, Maulana Abbaas Ali Jeena Sahib of the NNB Jamiat (the No Name Brand Jamiat of Fordsburg), says:

"Halal is an integral part of the life of a Muslim. Not only is it a direct command of Allah in the Noble Qur'an, it also has a very strong link with virtuous deeds. The acceptance of supplication and prayer depends to a great extent on the type of food that enters one's body. It is on the basis of this bond that many a pious people Have noted: 'In accordance with the proportion of Halal a person consumes, likewise will be the inclination and pleasure derived in performing good deeds.'Rasulullah sallallahu alayhi wa sallam replied: 'Eat Halal and speak the truth.'"

This flowery message of the Deen is not meant to decay in the silly, glossy Annual Report issued by the Carrion Cabal. Muslims are under Shar'i obligation to implement this Naseehat practically by abstaining from consuming the haraam, rotten, diseased carrion which the Carrion Cabal halaalizes under the subterfuge of a toothless, silent, Dumb Shayaateen' ulama entity which the Carrion Cabal projects as its 'Ulama Council', when in reality this Council is a clumsy rubber stamp utilized by the Carrion Cabal to halaalize haraam *Maitah*.

Muslims who consume the haraam carrion inflict irreparable harm and damage to their physical bodies and to their Souls. Cancer, a variety of serious heart diseases, diabetes, blood pressure, etc. are diseases which afflict the consumers of the Carrion Cabal's halaalized carrion chickens and meat products.

Muslims should have mercy on their own bodies and Souls which are sacred Trusts bestowed to them by Allah Ta'ala. Long before the actual

Hisaab

(Reckoning) in Qiyaamah, there will be a prior lesser

pertaining to the

Amaanat

(Trust) of Health – that health which Muslims are destroying with their gluttonous consumption of halaalized carrion and inordinate indulgence in sin in general.

There is an appalling and disturbing increase in serious diseases such as cancer, heart and diabetes in the Muslim community of this age. Prior to the free availability of rotten halaalized carrion, these diseases were practically unheard of in the Muslim community. The sudden surge of these grave maladies in epidemic proportion is the direct consequence of devouring the haraam carrion chickens and carrion products which SANHA, MJC, NIHT, etc. have halaalized despite a deluge of irrefutable evidence existing to prove that all of this muck and diseased najaasat being halaalized is in fact HARAAM.

"Only those of intelligence derive lesson (from admonition)." (Qur'aan)
