

BEWARE OF THE BOGUS 'UUCSA'

THE KALB AND THE REVEREND OF THE NNB 'JAMIAT' MASQUERADING AND IMPERSONATING THE UNITED ULAMA COUNCIL OF S.A. –THE GENUINE UUCSA

The Muslim community is once again being forewarned of the deception and shenanigans of the Kilaab (Dogs) and Reverend of the NNB Jamiat and of the Carrion Cabal. These entities have been impersonating the genuine UUCSA and issuing statements in the name of the genuine UUCSA to confuse and deceive the Muslim community. They are termed *Kilaab* because they have denuded themselves of all shame and have bared their venomous fangs spitting their treacherous venom at their Ustaad, Mufti A.K. Hoosen whom they have reported to a kuffaar kangaroo court so as to humiliate him. Yet they had acquired Deeni Knowledge from him. The venerable Ustaadh had fattened these unfaithful *Kilaab* who today are conspiring to devour him.

The Reverend of the Cross is behind these treacherous entities who have colluded with the Carrion-Halaalizing Cabal to take the genuine UUCSA to the kuffaar court in their dastardly bid to usurp the Name of those Ulama-e-Haqq who are criticizing and condemning the kufr MMB (so-called muslim marriages bill) which is a Bill of Kufr which the people of baatil are at pains to have hoisted on the Muslim community. Since their hearts are impregnated with kufr, they seek to kufri'ize the Muslim community with their kufr mmb presented deceptively as a Shariah-compliant measure.

Their rodomontade attitude underlying their high expectation of gaining victory in the kuffaar court, shall Insha-Allah, be deflated and effaced. Nevertheless, even if they gain a kufr 'victory' in a kufr court from a kufr judge, what will be their achievement? What will be the honour to gain from such a miserable kufr 'victory'? Will such a kufr 'victory' be a victory for the Haqq? On the contrary it will be cause for a short-lived satanic trepidation and nafsani gloating for which the purgative remedy is Jahannam.

The NNB Jamiat Kilaab and Reverend Clique, in alliance with the Carrion-Halaalizing Cabal have made the kuffaar court their ultimate arbiter in life. Pretending to be Muslims, they seek remedy in the kuffaar court of baatil. A spokesman of the genuine UUCSA has this message for the Muslim community:

"It is imperative that we clarify that UUCSA has not initiated the current court case. These legal proceedings are the machinations of the BOGUS UUCSA. The objective of their impersonation is palpable. They seek to peddle their un-islamic and haraam views and ideas by way of deception. They are out to confuse and deceive the Muslim public by disseminating their kufr views in our Name, i.e. the Genuine UUCSA. They have taken their deception a step further by seeking the protection of the non-Muslim court. But, Insha-Allah, they must fail in their nefarious plot. Muslims are requested to make Dua for the triumph of Haqq and the deracination of Baatil, especially of the baatil plots of those who seek protection from kuffaar courts."

The Muslim community should take note of the following:

1. The kufr MMB: According to the Bogus uucsa, it is halaal. According to the Genuine UUCSA it is haraam

2. The ‘halaal’ certificate industry: According to the Carrion entrepreneurs and the Bogus uucsa, it is halaal. According to the Genuine UUCSA, it is haraam.

3. Shaitaan’s Television (dubbed ITV) is halaal according to the Bogus uucsa, and Haraam according to the Genuine UUCSA.

ONE OF THE WORST LIES ON WHICH THE BOGUS UUCSA FEASTS IS THEIR ABSOLUTELY FALSE CLAIM OF REPRESENTING THE ‘VAST MAJORITY’ OF MUSLIMS AND THAT ALL THE ‘MAJOR’ ULAMA BODIES ARE THEIR AFFILIATES. INSHA-ALLAH, A SEPARATE DETAILED ARTICLE SHALL BE PRESENTED TO EXPOSE THIS MONUMENTAL LIE. THE BOGUS UUCSA IS *AKTHABUL KAAZIBEEN – THE WORST OF*

LIARS.
