### STABBING THE USTAADH, MUFTI A.K.HOOSSEN IN THE BACK

***“FATTEN THE DOGS TO DEVOUR YOU”***

### ***THE TREACHEROUS QUADRIPARTITE OF KILAAB (DOGS) IN CONSPIRACY WITH SANHA AGAINST THEIR USTAADH***

A Concerned Brother writes:

*“I am aware that the NNB Jamiat (i.e. the Fordsburg Jamiat masquerading as Jamiatul Ulama South Africa) is taking Mufti A.K.Hoosen Sahib to court. But what is very disturbing is that on board is one of their senior members who is the chairman of SANHA, namely, Moulana Yusuf Patel of Middleburg, who is a graduate of Newcastle Darul Uloom where Mufti A.K.Hoosen Sahib was an Ustaadh. Please comment on this confusing issue?”*

In past articles we had commented on this satanic scenario orchestrated by the unholy Trinity comprising of the NNB-RADIO SHAITAAN-SANHA clique. All three of these fictitious bodies are a single entity. Each character in this unholy set up collects fat sums and perks in the form of ‘salaries’ from the three front names. It is indeed an unholy, corrupt, rotten set-up.

Mufti A.K.Hoosen was the Ustaadh of the Yusuf Patel character. In league with SANHA’s BCCSA conspiracy to humiliate Mufti A.K.Hoosen and to gag him so that he may not pronounce Rainbow and other commercially killed chickens as being **HARAAM**, is not only this one,

unfaithful, ungrateful, treacherous Patel character. There are at least four *nimak haraam*

students of Mufti A.K.Hoosen, who have publicly bared their shaitaani fangs and are poised to devour him at the kuffaar BCCSA altar at the behest of SANHA, the Carrion-Halaalizer.

This quadripartite of *nimak haraam* students who had acquired Deeni Knowledge at the feet of Mufti A.K.Hoosen are:

- **Yusuf Patel, SANHA's carrion chairman**
- **Junaid Adam of Port Elizabeth, who deals in tons of carrion chickens**
- **Ismail Allie, the Kalb of the so-called Majlisud Da'wah wal Islah**
- **Rafique Hasan of the Northern Cape Haraam Board**

Rasulullah (sallallahu alayhi wasallam) said that the person who teaches you one word of the Qur'aan becomes your **master**. Thus, these four *Kilaab*, despite being the *slaves* of Mufti A.K.Hoosen, are in collusion with the Navlakhi-Lockhat carrion cabal to derogate, insult and humiliate their Ustaadh who had fattened them with the Ilm of the Deen - that sacred Ilm which they are today casting down the sewer drain for the miserable monetary crumbs of the dunya.

They have eliminated whatever vestige of shame Imaan is naturally and inherently imbued with. Every Muslim is aghast at the treacherous action of these four *Kilaab* 'students' who shamelessly proclaim themselves as 'ulama'. They are indeed the worst specimen of ulama-e-soo who have ever darkened the surface of the earth. They are classical specimens of the ulama-e-soo' predicted by Rasulullah (sallallahu alayhi wasallam) in the following Hadith:

*"There will soon dawn an age.....when the worst of the people under the canopy of the sky will be their ulama. From them will emerge fitnah, and the fitnah will rebound on them."*

This unholy, evil quadripartite of *Kilaab* should not believe that they are snug and safe in their relationship with SANHA and the NNB. Allah Ta'ala will disgrace and destroy these treacherous so-called students parading as 'ulama'. The only penance for their redemption in this world and

the Aakhirah is to eliminate their rotten pride, kick SANHA, the Carrion-Halaalizer and fall at the feet of their Ustaadh imploring for forgiveness. If they fail in this Waajib obligation they will, at the time of Maut, rue the day they were born on earth.

It is indeed unbelievable that students who had acquired knowledge of the Deen would conspire with an evil Carrion Cartel to drag their senior Ustaadh to a kaafir court with the sole dastardly, shaitaani objective of humiliating and gagging him from proclaiming the Haqq which in this case is that **RAINBOW AND ALL COMMERCIALY KILLED CHICKENS ARE HARAAM. This Haqq has broken SANHA's backbone and blackened its face.**

Whatever has been said above applies to M.S.Navlakhi as well. He too has betrayed his senior Ustaadh, Hadhrat Maulana Radhaul Haq Sahib whom, not so long ago, SANHA crowned, *The Grand Mufti of South Africa.*

Today this

*Kalb, Navlakhi,*

is not prepared to sit down with his Ustaadh to discuss the issue and to amicably resolve the rubbish 'dispute' in accordance with the Command of the Qur'aan. The malice and animosity have degenerated to a sub-sewer level. The insane craving of SANHA is only to humiliate and gag Mufti A.K.Hoosen. But, this miserable Carrion Cabal with its

*Kilaab*

assistants must necessarily end up in ignominy and fall in the grave they plotting for Mufti A.K.Hoosen. As for the venerable Mufti Sahib, he has the following Qur'aanic assurance:

***“And, Allah will protect you against the people.”***
