‘IN THE FOOTSTEPS OF THE

ZAANIYAAT (ADULTERESSES)

A satanic group of lesbian-like females, known as ‘*IN THE FOOTSTEPS OF THE ZAANIYAAT*’, are luring dumb women into haraam camping in the name of the Deen. They dub their immoral bush outing: ‘*In the footsteps of the Sahaabiyat*’.

Shaitaan has thoroughly entrapped the vile women who are organizing their haraam event in the bush for women. They are trapped in the tentacles of Iblees who has taught them to project their bush-camping for women as an event in “preparation for Ramadhaan”.

This contention is the furthest from the truth. The women’s bush-camping is a perfect example of the shaitaani snare termed *Talbees-e-Iblees (Deception of the accursed Devil)*.

While Ramadhaan is the most auspicious occasion in the Islamic year, the Zaaniyaat are calling on stupid women to join them in a bush-camp for frolicking and nafsaani enjoyment. The days and nights of Ramadhaan are most auspicious occasions to be spent in the privacy of the home. It is a time for ibaadat in seclusion, especially for females. Indeed, these vile she-devils have transgressed and eliminated every vestige of Imaani *Hayaa* in the perpetration of the haraam bush, merrymaking function planned for the Holy Month of Ramadhaan.

It is haraam for women to participate in the contemplated *Mal-oon (Accursed)* bush-camping. It is likewise haraam for husbands and fathers to allow their womenfolk to participate in the vile bush-camping.

These lewd Zaaniyaat shamelessly mis-manipulate the name of the Sahaabiyaat to lure women out of their homes to participate in their haraam bush-camp. The females during the age of Rasulallah (sallallahu alayhi wasallam) remained glued within the holy precincts of their homes. Emergence of women from their home is incumbently attended and monitored by Iblees-in-Chief. Thus, the Hadith states:

“When a woman emerges (from her home sanctuary), then Shaitaan casts surreptitious gazes at her.”

Shaitaan lies in ambush for her. He awaits the opportunity to utilize her for immorality, hence Rasulallah (sallallahu alayhi wasallam) said:

“A perfumed woman who passes by a gathering, is like an adulteress.”

As long as a woman remains within the home fortress, she is safe from shaitaan and all foul and vile elements. There is no safer place for a woman than her home. The next place of safety for her is her grave. This is according to the Hadith.

The Bush-Zaaniyaat say: *“We learn through Play. Thus most (of the bush) activities will be packed with **Fun and Adventure**, Insha’Allah.”(Emphasis not ours).* These evil women are not only Zaaniyaat. They are *Kaafiraat,*

for they take Allah's Name on haram activities to dupe dumb moronesses. Just imagine their shameless audacity – fun and adventure for women in the bush during the holy nights of Ramadhan!!!!!!! While these Zaaniyaat propagate the virtues of their nafsaani 'play, fun and adventure', the Qur'aan states:

- *“The life of this world is but play and amusement whilst the abode of the Akhirah is best for those who fear (Allah). What! Have you no intelligence? (To understand this simple truth.)”*

- *“Verily, this worldly life is play, amusement, adornment, mutual pride and the accumulation of wealth and children.....The life of the world is nothing but a little provision of deception.”*

There are numerous similar Qur'aanic verses deprecating play and amusement. Rasulullah (sallallahu alayhi wasallam) said: *“If you knew what I know (of Maut, Qabr and Akhirah), you will laugh less, cry much and not derive pleasure from your wives.....You will run out into the wilderness wishing that you were a blade of grass.....”*

Play, fun and 'adventure' are the preoccupations of the kuffaar whose be all is this dunya. They have nothing – absolutely nothing in the Akhirah. Now, these Zaaniyaat bringing disgrace to the Sahaabiyaat are satanically calling on Muslim women to emulate the ways of the kuffaar by spending the holy nights of Ramadhan in the bush, making merry and coming within Rasulullah's descriptive epithet of 'adulteress' for such women who venture into the streets, public and bush.

One of the prime objectives of the Zaaniyaat is to coin quick haram boodle, hence they have a R420 per person for a two-night bush-fling with shaitaan.

Women who have any Islamic *haya* and any understanding of the Deen will not participate in such a lewd haram shaitaani affair as planned by the group of Zaaniyaat. Only women who have lesbian tendencies crave for self-expression and public projection in flagrant violation of the Qur'aanic command:
