

### PROTEST MARCHES ARE HARAAM

Allah Ta'ala has created the Community of Muslims for the Aakhirah, not for this dunya. Rasulullah (sallallahu alayhi wasallam) said: *"Verily, the dunya (world) was created for you whilst you were created for the Aakhirah."* This world is a temporary halting place for the onward journey back home to Jannat. Muslims are allowed to acquire from this world only the ways and means of transport towards the Aakhirah, and such provisions which will be of benefit in the Hereafter. It does not behove Muslims to become assimilated in the ways and cultures of the kuffaar. Everything of the Muslim is distinct and distinguished from the ways of non-Muslims. Inclining to the ways and styles of non-Muslims is a major sin. The Qur'aan Hakeem says in this regard:

*"Do not incline to the transgressors (kuffaar), for then the Fire will overtake you, and there are no friends for you besides Allah. Then, you shall not be aided."*  
(Surah Hood, Aayat 113).

The Qur'aan and the Ahaadith are replete with warnings against assimilation with or even inclination towards non-Muslims. There is no affinity, neither physical nor moral nor spiritual, between Muslims and non-Muslims. These two entities are diametric opposites since Imaan and kufr are irreconcilable opposites which are mutually repellent.

Protest marches even if it be baselessly assumed that they are devoid of any acts and practices which are Islamically prohibited, then too are haraam. These are not methods for Muslim adoption. Every act, every step and every word that go into making a kuffaar-style protest march is haraam and mal-oon (accursed).

The promiscuous intermingling of sexes, intermingling of Muslims and kuffaar, both males and females, insane painting of faces, clowning and cooning, raucous conduct, prancing monkey-like in the streets, howling, vandalism, intimidation, haraam picture-making

(photography and videoing), music, singing, shouting obscenities, joining in kufr prayers, riyā (ostentation), takabbur (pride) and much more are all the satanic ingredients of these kuffaar-style protest marches.

There is no room in Islam for these satanic protest marches where even men who profess to be 'ulama' denude and debase themselves. The absolutely degrading participation of females in terms of the Qur'aan and Sunnah, is exhibitions of zina. The participation in such flagrantly haraam marches/functions by Muslim females and so-called molvies and sheikhs, is absolutely mind-boggling in terms of Imaani intelligence. Without hesitation it may be inferred that the ulama-e-soo' (vile, immoral so-called ulama) can only be munaafiqeen. Any molvi/sheikh who sees the way clear for participating in a march to Jahannam must most certainly be a munaafiq.

The fussaag and fujjaar Muslim masses are being misled by the munaafiq 'ulama' who masquerade as religious guides when in reality they are devils in human bodies. They are the worst scum under the sky. Swines are nobler than these filthy specimens of satanism about whom the Qur'aan states:

*"The kuffaar will be driven to Jahannam so that filth may be separated from purity. And He (Allah) will pile khabeeth on to khabeeth, making them all into a pile. Then will they be cast into Jahannam. They are indeed the losers."*  
(Al-Anfaal, Aayat 36,37)

The munaafiq ulama-e-soo' will be piled into layers in the piles of filth which will be cast into Hell-Fire. Never in the history of Islam have ulama descended to this shocking level of moral decadence which is being beheld in this age. Without the slightest vestige of shame they flagrantly and publicly advocate and participate in functions of zina, fisq and fujoor. Not only do this pile of ghutha (filth) participate in the moral filth and much which they halaalize, they exhort even Muslim females to denude themselves in public and to eradicate from their hearts every iota of *Imaani haya*. Is it possible for an Aalim who has sound Imaan to derive delight and to participate in a zina gathering where Muslim females are denuding themselves physically and morally, thereby deracinating their very Imaan?

Such vile and filthy molvies and sheikhs are the illegitimate progeny of Iblees, hence Rasulullah (sallallahu alayhi wasallam) described them as *shayaateen fi juthmaanil ins (devils in human bodies)*.

In another Hadith, Rasulullah (sallallahu alayhi wasallam) described these molvies and sheikhs who pillage and plunder the Imaan and Akhlaaq of the ignorant masses as *men with the hearts of wolves*.

Indeed, these devils in human form with the hearts of wolves are not Muslim scholars. They are not molvies and sheikhs. They are reverends, priests and pundits and Satanists.

The ignorant and fussaag Muslim masses will not be exculpated in Qiyaamah when they will attempt to argue that they merely followed the shayaateen leaders. Even shaitaan will say to them: *"In fact, you are criminals"*. (Qur'aan) While the punishment and disgrace of the ulama-e-soo' will be multiplied manifold, the ignorant and immoral masses will not escape their punishment in Hell-Fire. Following filthy leaders who profess to be scholars (molvies and sheikhs) will not be accepted as extenuating circumstances when the transgressors are sentenced to Jahannam. Allah Ta'ala has warned the masses in the Qur'aan:

*"They take their molvies and their sheikhs and Maseeh, the son of Maryam as gods besides Allah."*  
(At-Taubah, Aayat 31)

When the masses follow the haraam and evil 'fatwas' of the ulama-e-soo' it is tantamount to elevating the villains to the pedestal of godhood. In other words, they are making gods of their reverends, pundits and filthy, vile molvies and sheikhs who treacherously betray the Deen for miserable worldly and nafsaani gains.

*"Verily, the life of this world is but play and amusement while the Abode of the Akhirah is best for those who fear (\*Allah). What do you have no intelligence?"*
