### THE OPEN TEMPLE OF CAPE TOWN

#### THE SO-CALLED "OPEN-MOSQUE" –

#### NO RELATIONSHIP WITH ISLAM

A miscreant group styling itself "*The Open Mosque*", in its "Official Statement" struggles to spin its utterly baseless brand of KUFR 'islam' to suit its own whimsical KUFR narratives. While these people posing as 'Muslims' are free in this country to believe in concepts which in terms of Islam are pure Satanism (Shaitaanīyat), they have absolutely no right to call themselves Muslims.

The label of Islam simply cannot stick on any deviant group/sect which veers wildly and erratically from **the** Siraatul Mustaqeem of the Qur'aan and Sunnah. These people have no right to touch the Qur'aan. Their views about the Qur'aan and Islam are unadulterated KUFR. This group is not Muslim.

Their insane obsession with the immoral western concept of "gender equality" is the very first count of KUFR with which the Shariah indicts this errant group. We believe that it is illegal in terms of even secular law for this non-Muslim group to call their place of worship a "mosque". The term "Mosque" is exclusive with the Muslim community while this group has no relationship with the Muslim Ummah – the Ummah of the Qur'aan and Sunnah.

They should acquire some other book to act as their 'holy' scripture, not the Qur'aan Majeed. There is nothing, absolutely nothing of Imaan in this group. A person can never be a Muslim if he does not subscribe to that Islam which has been reliably and authentically transmitted down the centuries from the Sahaabah.

A brand of 'islam' defecated by corrupted brains colonized by westernism, which has no affinity with the ORTHODOX Islam of the Qur'aan and Sunnah is not Islam. It is Satanism in terms of the Qur'aan. About groups of this ilk, the Qur'aan Majeed declares:

*“And from among mankind is he who disputes about Allah without knowledge, and he follows every rebellious shaitaan.”*

The KUFR which this group is propagating is pure shaitaanियat whispered into their hearts by *Al-Khannaas*

. Stating this fact, the Qur'aan Majeed commands us to seek refuge with Allah against the Satanism of *Al-Khannaas*:

*“Say: I seek refuge with the Rabb of people, the King of people, the Deity of people from the evil of Al-Waswaas Al-Khannaas, the one who whispers (the villainy of kufr) into the breasts of people. (He, i.e. Al-Waswaas Al-Khannaas) is from the jinn and people.”* ﴿۱﴾ (Surah An-Naas)

We trust that the MJC and other Ulama bodies in Cape Town and elsewhere will not fail in their Waajib obligation of exposing this Open Temple group. This group should not be allowed to perpetrate deception by passing themselves off as Muslims. They constitute a group entirely separate from the Muslim community. They have no truck with Islam. Islamic facilities may not be made available for them.

In this country they are free to even worship nude in their temple. It is no concern for us. Our concern is only the deception employed by this non-Muslim cult – the deception of passing themselves as Muslims when in reality they are not Muslims in terms of the Shariah of the Qur'aan and Sunnah – in terms of that immutable Shariah which we have received authentically from the Sahaabah.

In Islam there is no such satanic institution as a “non-sectarian mosque”. Rasulullah (sallallahu alayhi wasallam) stated explicitly that his Ummah will be split into 73 sects, all of them except one will be the denizens of Hell-Fire. Every sect has its own place of worship. The dumbest

moron will easily understand the imperative existence of the sects into which the Ummah has split. While this new 'religion' of the nafs is entitled in terms of the law of the land to label themselves as 'non-sectarian', they have no right to pass off this KUFR in the name of Islam and under Qur'aanic guise. This Ummah is proudly SECTARIAN. The Muslim Ummah of South Africa belongs to the sect called Ahlus Sunnah Wal Jama'ah which effectively excludes Shiahs and the gender mobs of miscreants (*mudhilleen*) who plod the path of *dhalaal* misleading others in the name of Islam.

This group is shockingly ignorant of true and genuine Islam, hence it disgorges such weird drivel which leaves one aghast. For example the miscreant group says: "*We need the authentic sunnah of the Prophet Muhammad (PBUH), in his original mosque in Madinah where there were no separate entrances for the sexes or artificial screens and barriers separating the genders inside the prayer hall.*"

This statement advertises the colossal

*jahaalat*

of these people. They know extremely little or nothing of the 'authentic sunnah'. And, what need do they have for the 'sunnah', when they proclaim their cardinal doctrine to be only the Qur'aan? And, which Qur'aan are they referring to? What is their evidence for claiming that the Qur'aan they regard to be the genuine Qur'aan is in fact the true Qur'aan? Insha-Allah, there will be a need to thoroughly tackle this group which in terms of the Qur'aan constitutes *Wuqoodun Naar*.
