SHIAHS

BY MUFTI ABDUL KAADIR HOOSEN

1. On 12 Rabiul Awwal this year the shias in different parts of the world held programs Aisha fin naar (Allah forbid) meaning Hazrat Aisha RA is in hell-fire as she poisoned Nabi Sallallahu alayhi wasallam (Allah Forbid).
2. To become a shia – the person has to bear testimony that Abu Bakr RA, Umar RA, Uthman RA, Aisha RA, Hafsa RA are in hell-fire (Allah forbid). This was broadcasted on Fadak TV which belongs to the shias.
3. During my visit to Iran – I personally saw the shrine for the murderer of Sayyidina Umar RA in Kashan built by the kaafir shia regime. Iran only became a shia state in 1500 – from 640-1500 it belonged to the Ahlus Sunnah.
4. This is my fatwa – any person who makes the above comments (no. 1 & no. 2) is a kaafir and out of the fold of Islam for rejecting surah 24 verses 11-26 and surah 9 verse 40 etc.
5. Majority of the shias in the world are kaafir and out of the fold of Islam. Sheikh Qaradawi learnt the hard way. This is jihad of the time to expose the real enemies of Islam whether they are Jews, Shias, Christians, Qadianis etc. We do not have to curry favour with any person, orgs or government etc. Our aim must be to speak the truth even though it is bitter.

SHAIKH QARDAWI REGRETS AND REPENTS FOR HIS ERROR

Shaikh Yusuf Qardawi states: “I kept calling for years for efforts to bridge the gap between sects and travelled to Iran during the era of former President Mohammed Khatami, but these fanatics (Shiahs in Iran) and hard-liners want to disempower the Sunnis. They deceived me and deceived many others like me by saying that they too want to bridge the differences. Years ago I defended Hasan Nasrallah, who has named his party Hezbollah, although in reality it is a party of idols and a party of ﷻ Shaitaan (Devils) who are defending Assad.”
