THE SHOW-OFF DEVIATE WHO MASQUERADES AS A HANAFI

A Brother writes:

“Assallamu Alaikum

Respected Molana

Please find photos of Mufti Menk sky diving in Dubai posted on Facebook .posted on 9 April 2015. *(Photos are haraam – The Majlis)*

He *(the Menk character –The Majlis)* writes as follows *(on the pornographic site, facebook –The Majlis)*:

“Subhanallah! The most amazing experience today. The free fall from the 13000 feet skydive. Dubai was so cool. Allhumdulilla.”

Moulana, is this what ulama are sent for? I don't have a problem with him skydiving. But why put in on Facebook? Where is the self-dignity of our Ulama. *(Your mistake! This character is not among the Ulama. He belongs to a specific class of molvis called, ulama-e-soo' – The Majlis)*

Never did I hear of even any non-Muslim president disclosing his holidays to the public. Moulana, did you hear of President Zuma going to the beach? I'm sure he goes, but they don't publicize themselves.

I know that *The Majlis* does not go on Facebook. However if Moulana wants to verify please ask one of your close friends to go and see his profile.

Such a respected man wants to stoop down to the level of jaahil youngsters. Indeed it's a shame. *(He is worse than jaahil youngsters. He is a disgrace to the Deen – The Majlis)*

May Allah Ta'ala save me from such actions, from the inability to recognize what is right from wrong. When the heart becomes dark then the Noor of Allah doesn't enter to guide man. *(Yes, when zulmat enshrouds the heart, man will not be able to distinguish between faeces and food – The Majlis)*

Wasallam

About these vile characters presenting themselves as Ulama, Rasulullah (sallallahu alayhi wasallam) said:

“Soon will there dawn an age when nothing will remain of Islam but its name. Nothing will remain of the Qur’aan, but its text. The Musaaqid will be beautifully adorned structures, but bereft of guidance. The Ulama will be the worst of the people under the canopy of the sky. From then will emerge fitnah, and the fitnah will rebound on them.”

This Hadith fully applies to the fraternity of Ulama-e-Soo' to which the Menk character belongs. Pornography is part of their daily life, hence they relish in the filth and satanism of facebook. *Riyaa*, *takabbur* and *shahwat* (lust) are their dominant features. May Allah Ta'ala save us from the evil of our nafs and the deceptions of shaitaan.
