MUSJIDUDH DHIRAAR

MOCKERY OF THE QUR'AAN IN GULEN'S 'MOSQUE' MONUMENT

A CONCERNED BROTHER WRITES:

I've seen and heard many things in my life time...But this one tops them all.

A Qur'an memorisation competition held at the Turkish Masjid named Nizamiye Masjid in Midrand.

A few things stand out for me, for example:

1. What's the intention of the organisers of this competition.
2. Since when did reciting Qur'an become a 'competition'
3. Did the Sahabah hold 'competitions' to determine who is best at reciting or memorising Qur'an?
4. The next thing that stands out for is KPMG - 'the results will be verified by KPMG' to me and to many KPMG is an audit firm involved in 'auditing' practices and standards and they even

audit or as this pamphlet states 'results verified by', as I was saying, they even audit or verify or whatever you want to call it the results of the Lotto...what yardstick will they use to measure or verify the recitation of Qur'an?

5. I see they have all the media and devilish TV stations out in full force from ITV to Al Ansaar, radio Islam, voice of Cape etc

6. Their Master of ceremony is: Mufti Menk the Skydiver and others.

To me this programme holds no weight in the Court of Allāh Ta 'Ala as it is one big merry making session with pomp, pride and glory in the name of Qur'an memorisation.

Here's something to consider:

How will the losers feel of this so called 'competition'?

Won't they become depressed and disillusioned with KPMGs verification process considering how hard they 'trained for this competition'?

The next that sticks out like a sore thumb is the 'ladies facilities inside the Masjid'. Then again this Turkish Masjid hosts half clothed kaafirahs who trout around the Turkish museum to view it's designs and marble and decor etc etc

Next up is the 'The Religious Attache of the Royal embassy of Al Salool of Saudi Arabia...who have sanctioned the bombing of innocent Muslims in Yemen...

My last comment is the image of the glorious Qur'an floating upon the South African flag! The Prophet of Allāh Muhammad ﷺ hated nationalistic pride...here we find our

friends placing The Glorious Qur'an upon a South African flag.

May Allāh save me and my family and the Ummah from these 'competitions' disguised in the name of Islam and Qur'an. A'meen

COMMENT

Hadhrat Abdullah Bin Amr (radhiyallahu anhu) said:

"There will dawn a time when people will gather in the Musaaqid and perform Salaat while not a single one will be a Mu'min."

This is precisely the condition of the 'mosque'-monument constructed by the kuffaar Gulenist movement to undermine Islam. What is taking place in this 'mosque' of treachery is not only a mockery. It is not only a merrymaking haraam function of fussaag, fujjaar and kuffaar. It is all part of the global plot against Islam engineered by the U.S., using Mr. Gulen, the enemy of Islam to undermine Islam in the name of Islam.

The faasiq/faajir performing 'celebrity' Menk, is another Shaitaan who is aiding and abetting almost every baatil movement. The objective is of course the haraam boodle and the haraam nafsaani gratification which drive all performing coons, clowns and agents of shaitaan along the path to Jahannam. The stupidity and nafsaani enslavement of the ignorant public are further aiding these anti-Islam forces in their treacherous mission of undermining Islam. The silence of the Ulama is also a great aid to these agents of Shaitaan.

Muslims should not be so gullible as to trade their Deen for the miserable pleasures of the nafs. Menk and others of his ilk are all agents of Iblis. Salaat behind such a *Baaghi* is not valid. All Fardh Salaat performed behind this miscreant, deviate should be repeated. He vacillates like a wildly swinging pendulum from one baatil ideology to another. He is at the same time a deviate Salafi, a Pseudo-Deobandi and a Gulenist. In addition he flagrantly perpetrates fisq and fujoor. He is a shaitaani chameleon of many hues.

Every step in the Qur'aan mockery competition is HARAAM and utterly disgraceful. Allah's Kitaab of Hidaayat is being subjected to nafsaani sewerage flotsam. The Qur'aan is in this era made a plaything by enemies of the Deen such as Gulen and Menk, as well as by the ulama-e-soo' who crave for haraam boodle, hence they too are subjecting the Qur'aan Majeed to haraam competitions and the like.

It is haraam to participate in any way whatsoever in Qur'aan competitions whether these satanic acts are initiated by Gulenists or by the ulama-e-soo' who most despicably manipulate the brains of ignorant Muslims for seeking nafsaani gratification.

Rasulullah (sallallahu alayhi wasallam) said:

"There will dawn an age when nothing will remain of the Qur'aan, but its text.

Nothing will remain of Islam, but its name. The Musaaqid will be beautifully adorned structures (like the Gulenist mosque and the Ormonde mosque in Johannesburg),

but they will be bereft of hidaayat. The worst of the people under the canopy of the sky will be their ulama. From them will emerge fitnah, and the fitnah will rebound on them (and hem them in)."

Just look at the mosque of Gulen in Midrand, and at the Ormonde Musjid in Johannesburg, and look at the manner in which the Qur'aan Majeed is mocked and treated like a magazine, and look at the rot and rubbish which the Gulenists and even our own people perpetrate at the Musaaqid, then you will understand the meaning of the aforementioned Hadith of Rasulullah (sallallahu alayhi wasallam).
