**WARNING!!!**

***BEWARE OF GULEN'S TEMPLE 'MOSQUE'***

**THE EVIL TURKISH 'MOSQUE' IN CAPE TOWN**

**From Cape Town a concerned Brother writes:**

As Salaam WW Muftisaab.

I write with great shock and horror, For some reason I found myself in the City on the day of Jumma and decided to perform Jumma at this Masjid as it is close to where my kids live, I have been told about it by my son and the Medical Doctor I last visited invited me to attend, so I thought yes let me go and be surprised and Oh I was rather shocked.

To my shock and amazement (disgust), The Jumma Khutbah and Salaah is totally contaminated and what confirmed this is the dual language used on the mimbar / dua made to some Sheik and only ONE SALAAM to terminate / end the Salaah.

After the "Jumma" Salaah, this so called Imaam exited the "Masjid" in a change of clothing

dressed in jeans looking very modern ol chap and mingling in what resembles a market place outside men and women.

Apparently they feed all those who attend after Jumma and my fear is that they are using this to attract innocent / ignorant Muslims to this ..... I have no name to refer to it.

Please WARN the Ummah of CT.....

Why is this allowed to continue ?

Was Salaam

**MUSLIMS BEWARE! YOUR IMAAN IS BEING PLUNDERED BY THE SHAYAATEEN IN HUMAN FORM. GULEN'S TEMPLE 'MOSQUES' ARE IN THE WESTERN CONSPIRACY TO UNDERMINE ISLAM.**
